Regarding: ActBlue New Hampshire's 6-Month Report of Receipts and Expenditures

To Whom it May Concern:

Enclosed is ActBlue New Hampshire's 6-Month Report of Receipts and Expenditures covering the period from April 3, 2011 to October 2, 2011.

In our Statements of Receipts and Expenditures from August 25, September 8, September 22, October 13, October 27, and November 10, 2010, we reported receipt of contributions totaling $2065.00 which were not made to ActBlue New Hampshire.

Additionally, on the Summary sheets for our Statements from October 27 and November 10, we added the $1960.00 brought forward from the Primary Election to our Line 4 total of all general election receipts, for an additional discrepancy of $3920.00.

Together, this led to a balance of $6070.00 being reported as the closing balance on our May 2, 2011 6-Month Report, when in fact the balance at that time was $85.00. This has been taken into account in the Summary Page of this 6-Month Report.

The original of this report, with the summary sheet signed by both our Chairman and our Treasurer, should be arriving by mail at your office in the next few days.
