Briefly describe the service or event this Honorarium or Expense Reimbursement relates to:

Inequities based on race, ethnicity, soci-economic status and location of residence make it exceedingly difficult for some children and families to reach their full potential for health and life in the community. This Peer to Peer 2019 meeting aims to increase knowledge and skills needed to use data and QI to advance health equity through a variety of learning activities.

"I have read RSA 15-B and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief."
