Subcommittee Meeting Questions

Individual Introductions

- What is your background as it relates to mental health? What policy initiatives have you been engaged in related to mental health, including any specific to employment or the workforce?
- From your past experiences, what policy approaches have you found to be most successful or
 promising at supporting worker and job seeker mental health, particularly as it relates to the
 subcommittee topic?

Brainstorming Activity

Write the following on post-it notes (one item per post-it, e.g., one policy approach per post-it note):

- 2-3 policy approaches/strategies for addressing the subcommittee topic as a whole
- 2-3 considerations for developing policies related to the subcommittee topic
 - Considerations can include specific communities or populations we should be considering (e.g., people with certain types of mental health conditions, certain types of workers, people coming from certain communities), existing state and federal laws, political dynamics, types of employers, types of workforce providers, etc.
- 2-3 anticipated or observed challenges enacting policies related to the subcommittee topic

Small Group Discussion

- What specific strategies or policy options can be added to this bucket?
- · What challenges do you anticipate in implementing these strategies?
- What specific changes would you make to these existing strategies to ensure they are feasible and effective?
