excesses of partisanship were the main reason that the dozens of
attempts at self-government over the proceeding 3,000 years had all

Madison's idea that broad support across our divisions is a better
indicator of wisdom than narrow partisan support.*

Courtney Simmons Elwood, Former General Counsel, U.S. CIA
- Join Ms. Elwood as she details why she strongly believes that we need to set aside our differences and come together as Americans. This has arguably been the main cause of partisan polarization that has gripped our country. In this session, learn how to spot misinformation, gain tools to depolarize yourself and engage more constructively with those you disagree with.*

During this session, seasoned StoryCorps staff will share strategies for building connections between people who seem to have nothing in common and play recordings that challenge expectations and show intentional listening. Attendees will also have an opportunity to get to know one another better by engaging in some of the program's best practices.*
