III. RELEVANT TIME PERIOD

4. Except as otherwise expressly stated, the conduct described herein occurred during the approximate time period of July 1, 2018, to July 17, 2023 (the "Relevant Time Period").

IV. RESPONDENTS

5. RJA is a broker-dealer registered in New Hampshire with a main address of 880 Carillon Parkway, St. Petersburg, Florida 33716. RJA is identified by Financial Industry Regulatory Authority ("FINRA") CRD No. 705. RJA maintains 3 branch offices in New Hampshire.
6. RJFS is a broker-dealer registered in New Hampshire with a main address of 880 Carillon Parkway, St. Petersburg, Florida 33716. RJFS is identified by FINRA CRD No. 6694. RJFS maintains 14 branch offices in New Hampshire.

V. STATEMENT OF FACTS

A. Respondents' Minimum Commission Practices for Equity Transactions Failed to Ensure Transactions Were Executed at a Fair and Reasonable Price

7. During the Relevant Time Period, Respondents charged unreasonable commissions to many retail brokerage customers on certain equity transactions.
8. For all equity transactions executed during the Relevant Time Period, Respondents generally charged retail brokerage customers according to a tiered commission schedule—calculated based on the principal amount of the trade.

9. The commission schedule ranged from 3% of principal plus \$5 for equity buy and sell transactions between \$0-\$4,999.99 to 0.8% of principal plus \$355 for equity trades \$50,000 and above.
10. Respondents charged a minimum commission of \$75 for certain equity buy and sell transactions (the "Minimum Equity Commission"), excluding, among other transactions, those involving equities underwritten by Respondents' affiliated investment bank.
11. Respondents had an alternative small transaction commission schedule, available for equity sell transactions with a principal amount of \$300 or less.
12. This schedule allowed agents to charge between \$0 and \$35 per transaction versus the \$75 Minimum Equity Commission.
13. Despite the small stock transaction schedule, even for positions valued at \$300 or less, Respondents' order entry systems defaulted to the Minimum Equity Commission, where applicable.
14. The Act prohibits Respondents from charging unreasonable commissions for services performed.
15. During the Relevant Time Period, Respondents executed over 270,000 transactions nationwide which included a commission in excess of 5% of the principal value, totaling over \$8,250,000 in excess commissions.
16. During the Relevant Time Period, RJA executed approximately 33,638 equity buy transactions and approximately 99,415 equity sell transactions nationwide which included commissions in excess of 5% of the principal value.

17. During the Relevant Time Period, RJFS executed approximately 41,515 equity buy transactions and approximately 97,120 equity sell transactions nationwide which included commissions in excess of 5% of the principal value.

18. In New Hampshire, Respondents executed over 1,109 transactions which included an unreasonable commission for services performed (i.e. in excess of 5% of the principal trade amount) totaling \$33,914.91.

19. Numerous equity transactions executed by Respondents included a commission in excess of 90% of the principal value of the transaction.

B. Respondents Did Not Reasonably Surveil Transactions Which Applied the Minimum Equity Commission

20. Respondents did not reasonably surveil transactions which included a Minimum Equity Commission charge to ensure that Respondents charged its customers a reasonable commission and fee.

21. Respondents only systematically surveilled commissions in instances where the gross commission was greater than Minimum Equity Commission.

22. Firms, including Respondents, use exception reports to surveil commissions.

23. Respondents did not have in place exception reports sufficient to supervise low principal transactions where the Minimum Equity Commission or mark-up was in excess of 5%.

24. As a result, Respondents' surveillance policies excluded transactions which applied the Minimum Equity Commission from review and thus failed to detect and correct unreasonable commission charges.

C. **Respondents Previously Failed to Engage Systems to Reasonably Monitor Equity Commissions**

25. In 2011, Respondents submitted Letters of Acceptance, Waiver and Consent to FINRA pursuant to FINRA Rule 9216 of FINRA's Code of Procedure ("AWCs").

26. The AWCs provide that from January 1, 2006 through at least October 31, 2010, Respondents' application of automated commission schedules to certain low-priced securities transactions did not consider whether such commissions were fair and reasonable as contemplated under NASD Conduct Rule 2440 and IM-2440-1(b) (both superseded by FINRA Rule 2121) .

27. The AWCs required Respondents, collectively, to pay over \$1.7 million in restitution to customers for conduct similar to the Respondents' conduct detailed in Section V.

28. The AWCs imposed additional sanctions including fines totaling \$425,000.

29. Despite these sanctions, Respondents did not implement or maintain adequate compliance and supervisory systems to monitor Minimum Equity Commissions.

VI. VIOLATIONS OF LAW

Count I – RSA 421-B:4-412(d)(9)

30. RSA 421-B:4-412(d)(9) provides that the secretary of state may revoke, suspend, condition, or limit the registration of a registrant if it "has failed to reasonably supervise an agent, investment adviser representative, or other individual, if the agent, investment adviser representative, or other individual was subject to the person's supervision and committed a violation of this chapter or the predecessor act."

31. Respondents' acts and practices, as described above, constitute a violation of RSA 421-B:4-412(d)(9).
