## How Can States Help Prevent Youth Homelessness?

### Joint Fellows Convening

#### Child Welfare · Youth Homelessness

Graduate Nashville Hotel

Nashville, Tenn. | June 25-27, 2023

#### **Youth Homelessness Fellows Meeting Overview:**

Each year 4.2 million youth and young adults experience some form of homelessness. State policymakers across the country are seeking guidance on how best to address the problem in their states. NCSL is answering the call with a fellows program through which participants will enhance their subject matter knowledge in a cohort-based, peer-learning environment.

This program is designed to help you achieve the following goals:

- Strengthen your knowledge of youth and young adult homelessness.
- Explore options to prevent homelessness and mitigate the consequences when it does occur.
- Foster new relationships among fellows, faculty and NCSL staff.
- Develop an individual legislative action plan.
- Identify opportunities for NCSL to support your individual action plan.

This meeting will be co-located with NCSL's Child Welfare Fellows and shared learning will take place through cross-over programming. Please visit <https://bit.ly/YHF2023> for all session materials and additional resources.

NCSL's Youth Homelessness Fellows Program is made possible through a grant from the Raikes Foundation and The Annie E. Casey Foundation.
