THANK YOU!

EVENT PROGRAM

Dear Attendee;

Thank you for attending The Heartland Institute's 2021 Emerging Issues Forum!

As you return home, we look forward to providing you with a wealth of free-market, pro-liberty information and solutions to your most difficult policy challenges. We hope you enjoyed hearing from some of the country's leading experts in administrative law reform, free speech, and constitutional issues.

Heartland is not your ordinary national think tank. We aren't trying to break through the often-convoluted and ineffective bureaucracy in Washington, DC. Instead, we focus on being the go-to resource for lawmakers in all 50 states. We believe state legislatures are the laboratories of democracy and hold the key to real and lasting public policy solutions, including many that could eventually be adopted at the national level.

Busy elected officials need a reliable source that is independent and nonpartisan, as well as one that can respond immediately to requests for research and expert opinion. **The Heartland Institute is the first place you should turn to for reliable and timely research and commentary on public policy issues.** Our team of policy analysts can pull together research and deliver it to you in a quick, concise, and useful manner.

Heartland's Government Relations Department is eager to help you fight for freedom in your state by holding events, briefing caucuses, and testifying before legislative committees. We hope you'll reach out to us during your ongoing and upcoming legislative sessions. I hope that you will encourage your colleagues to participate in our Legislative Forum program as well. The more legislators we work with, the more we can move the needle of freedom in your state.

Additionally, in our continued efforts to assist you as efficiently and effectively as possible, Heartland's Government Relations Department is active on Twitter, so you may more easily keep up to date on what we're doing and how we're promoting free-market solutions to social and economic problems. You can follow us on Twitter @HeartlandGR, and we encourage you to use the hashtag #EIF2021 if you tweet about this event.

Lastly, I look forward to talking to you all more this weekend at ICC-14. Please plan on attending the workshops and seminars as a condition to receive full reimbursement. At the close of the conference, I will email/distribute the reimbursement form.

Again, thank you for being here today! We look forward to continuing our work with you.

Respectfully,

Cameron Sholty
Director of Government Relations

How to push back
against Biden's
environmental
activism, rein in
our governors, and
fight against Big
Tech Censorship
