

**STATE OF NEW HAMPSHIRE
OFFICE OF THE GOVERNOR**

CHRISTOPHER T. SUNUNU
Governor

Exhibit O to Emergency Order # 29

New Hampshire Water Well Board August 4, 2020

Pursuant to Emergency Order #29, which authorizes temporary modification of executive branch deadlines and requirements, issued pursuant to Section 18 of Executive order 2020-04 as extended by Executive Orders 2020-05, 2020-08, 2020-09, 2020-10, 2020-14, and 2020-15 the following is hereby ordered:

Continuing Education and Training

For any entity or person holding a license as a pump installer or a well water contractor governed by RSA chapter 482-B and Department of Environmental Services Administrative Rules We 100-1000, the deadline to certify completion of two hours of continuing education required pursuant to RSA 482-B:5, V, is extended for one year from June 30, 2020, to June 30, 2021.

The extension of this deadline does not remove the requirement that licensees complete two hours of continuing education during the 2020-2021 licensing year. Instead, licensees must certify by June 30, 2021, compliance with the two-hour continuing education requirement for the 2019-2020 year and the two-hour continuing education requirement for the 2020-2021 year. This creates a total of four hours of continuing education that licensees must complete by June 30, 2021.

Given under my hand and seal at the Executive Chambers in Concord, this 4th day of August, in the year of Our Lord, two thousand and twenty, and the independence of the United States of America, two hundred and forty-four.

A handwritten signature in blue ink that reads "Chitih T. Sununu".

GOVERNOR OF NEW HAMPSHIRE
