Lobbyist(s)/Lobbying partnerships, firms, or corporations are required to report all expenses made from lobbying fees. Separate reports are to be filed for expenditures made relative to each client and if expenditures are made by the lobbyist(s)/firm that are unrelated to any one client a separate report may be filed for the lobbyist(s)/firm. Expenses are to be reported in one of three categories of expenses: (a) the aggregate total of all expenses paid during the reporting period for salaries, benefits, support staff, and office expenses; (b) the aggregate total of all individual expenses where the expenditure was of \$25.00 or less (for example: meals purchased during a business lunch where the cost was \$25.00 or less, purchase of a pen with a value of less than \$10 that is given to the person being lobbied, purchase of a ceremonial object given to a person being lobbied with a value of \$25.00 or less); and (c) an itemized statement of each individual expenditure made during this reporting period of greater than \$25.00 for any purpose not covered by (a) (for example: purchase of a meal with value of greater than \$25, purchase of a ceremonial object to be given to the subject of lobbying with a value greater than \$25, but not greater than \$50, restaurant expenses for a legislative reception). Expenses for honorariums, expense reimbursement, or political contributions will be reported on separate addendums and should not be reported on Addendum A.
