Located on the 2<sup>nd</sup> floor of the hotel.**

- 7:30 am**                    **Registration, Breakfast and Introductions**
- 8:45 - 9:30 am**        ***Session 1: EVs: Is this transformation really happening?***  
**John Bozzella, President & CEO, Alliance for Automotive Innovation**  
*The world of electric vehicles is an evolving space, which requires the automotive industry to constantly respond to changes in technological advances, consumer demand and the environment. This session will highlight the growth within the electric vehicles sector, the present state of the industry, how EVs are impacting the world and U.S.-based manufacturing, and what the expectations are for the next 10-15 years.*
- 9:30 - 10:00 am**      ***Session 2: EV 101***  
**Steve Douglas, VP Energy & Environment, Alliance for Automotive Innovation**  
*Let's start with the basics. Legislators will receive an overview of the laws and regulations governing auto emissions and the state and federal programs that are requiring ever-increasing numbers of EV sales, including plug-in and fuel cell electric vehicles. We'll provide attendees a snapshot of the current EV landscape in each respective state along with a glossary of terms to guide them through the seminar.*

- 10:00 - 10:15 am Break**
- 10:15 - 10:30 am** *Setting the Stage: Highlighting the key themes to consider on each topic throughout the Academy*  
**Travis Hester, Vice President of EV Growth Operations, General Motors**
- 10:30 - 11:15 am** *Session 3: Available federal funding in EV charging infrastructure and how legislators can aid in advancing EV charging infrastructure.*  
**Nancy Ryan, Partner, eMobility Advisors**  
**Dan Bowerson, Senior Director, Energy & Environment, Alliance for Automotive Innovation**  
*Attendees will learn about the once-in-a-generation opportunity to advance state EV charging infrastructure deployment through the Infrastructure Investment and Jobs Act (IIJA). Attendees will also be briefed on how state legislators can play an important role in deploying EV charging infrastructure through direction to their utility commissions to create plans, programs and rates that will benefit the grid and ultimately support the increased number of EVs coming.*
- 11:15 - 12:00 pm** *Session 4: Smart Planning: Considerations for new construction and retrofitting existing structures*  
*Legislators will learn about the importance of swift commercial and residential building code updates to require the installation of EV charging capabilities. The cost to include the infrastructure during initial construction is far more economical than as a retrofit. We will discuss improvements that can be made today, such as permitting approvals, that can help move this ball forward.*
- 12:00 - 1:00 pm Lunch – Legislative Terrace, 2<sup>nd</sup> Floor**
- 1:00 - 1:45 pm** *Session 5: Can your electric grid handle this?*  
**Kenneth Shiver, Director of Planning and Regulatory Strategy, Southern Company**  
*Autos aren't the only thing going electric. How can states assess their future electricity needs and prepare for what looks to be an onslaught of electric activity? Is the electric grid in your state ready for the shift?*
- 1:45 - 2:30 pm** *Session 6: Accessibility and Affordability: EVs for Everyone*  
**Alessandra Carreon, Manager, RMI**  
*Widespread EV adoption relies on a commitment from policymakers that underserved communities have ample access to charging infrastructure and to programs that make EV purchases more affordable. This panel will discuss how to make EVs available to all.*
- 2:30 - 2:45 pm Break**

- 2:45 - 3:30 pm**      ***Session 7: The Intersection of AVs and EVs***  
**Andrew Woelfling, Senior Director of Public Policy and Government Relations, Argo AI**  
**Hilary Cain, VP, Technology, Innovation, & Mobility Policy, Alliance for Automotive Innovation**  
*Some market watchers presume these two technologies are mutually reliant – are they? This panel will talk about differences, similarities and how both EVs and AVs will coexist in the automotive future.*
- 3:15 - 5:30 pm**      **EV Ride and Drive Event II – Meet in Ballroom 4**  
***Bus will depart from the 7<sup>th</sup> and Union Street corner of the Sheraton***  
*Legislators will have a second opportunity to get behind the wheel and experience the fit, feel and performance of an electric vehicle.*
- 6:30 - 8:30 pm**      ***Reception, Dinner and Entertainment by Chris DeStefano, Grammy Award Winning Singer Songwriter ([Preview here](#))***  
***The Bobby Hotel***  
*Meet in the Sheraton Lobby. When exiting the Sheraton, turn right and walk three blocks down Union Street to 4<sup>th</sup> Avenue and take a right, the Bobby Hotel is on the left. Take the elevator to the Rooftop Terrace.*

## Friday, June 24

- 7:30 am**              **Breakfast**
- 8:45 – 9:00 am**      ***Setting the Stage: Strengthening the U.S. Manufacturing & Supply Base***  
**David Johnson, SVP, Manufacturing and Supply Chain Management, Nissan North America**
- 9:00 – 9:45 am**      ***Session 8: Buying, Selling and Servicing EVs: Protecting customers***

**Doug Greenhaus, VP, Regulatory Affairs, Environment, Health and Safety, National Automobile Dealers Association**  
**Greg Remensperger, Chairman, Automotive Trade Association Executive**  
**John Devlin, President & CEO, Pennsylvania Automotive Association**  
**Amy Brink, VP, State Government Affairs, Alliance for Automotive Innovation**  
*Engineering and producing the vehicles is one part of the equation, getting them into consumers hands is another. Franchised dealers provide the frontline education consumers need to adopt this new technology, answer the questions, and assist with servicing needs as well.*

- 9:45 - 10:30 am**    **Session 9: End of Life Battery Recycling: Bring it Home!**  
**Todd Coy, Vice President, Retrieval Technologies**  
**Dan Bowerson, Senior Director, Energy & Environment, Alliance for Automotive Innovation**  
*The shift to an all-electric vehicle future will result in a significant rise in demand for EV batteries. Developing a robust and consistent recycling and secondary use policy can help ensure that batteries remain useful until end-of-life.*
- 10:30 - 10:45 am**    **Break**
- 10:45 - 11:30 am**    **Session 10: A National View: What states are doing to support EVs**  
**Nick Nigro, Founder, Atlas Public Policy**  
*Public investment, infrastructure buildout and global competitiveness...this panel will provide a glimpse of the programs some states have implemented to help support greater EV adoption and how the U.S. measures up against other countries that are looking to lead in the EV transformation.*
- 11:30 - 12:15 pm**    **Session 11: Future Road Funding Plans: Replacing gas tax revenue**  
**Matthew Dorfman, CDM Smith**  
**Josh Fisher, Director, State Government Affairs, Alliance for Automotive Innovation**  
*Gasoline tax revenues, long the source of state highway transportation funds, are diminishing more and more every year as gas-powered vehicles become more efficient and electric vehicles grow in popularity. We will look at some of the more popular alternative funding ideas some states are considering. Vehicle miles-traveled? Road user charges? Mileage-based user fee?*
- 12:15 - 1:00 pm**    **Lunch – Legislative Terrace, 2<sup>nd</sup> Floor**
- 1:00 - 1:45 pm**    **Session 12: Leaders' Roundtable**  
*A facilitated conversation allowing legislators to raise questions, share ideas and learn from their peers about how other states are approaching the EV transformation*
- 1:45 - 2:00 pm**    **Closing Remarks and Adjournment**
- 6:00 - 8:00 pm**    **Closing Dinner (Optional)**  
**Ellington's at the Fairlane Hotel**  
*Meet in the Sheraton lobby. When exiting the Sheraton, turn right and walk three blocks down Union Street to the corner of Union Street and 4<sup>th</sup> Avenue. Take elevator to the 4<sup>th</sup> floor-restaurant.*
