## To whom it may concern:

I request to be on the ballot for the November election. I have collected more than 150 signatures. Due to the Hillsborough County voter register, I must have proof of the signees' registration to vote. Folks at Manchester City Hall instructed that since addresses have been changed, there is no proof that they are registered voters.

I am requesting a hearing to show the Commission proof that the 150 plus people who have signed are registered voters. I have prepared an affidavit with their signatures stating that they are. Thank you for your time and consideration.

Yours truly,

Max Darbouze
