NEW HAMPSHIRE SECRETARY OF STATE

NH Ballot Law Commission Gary Richards, Chairman c/o Secretary of State State House, Room 204 Concord, NH 03301

Complaint, re: Richard Brewster, presumably, also a candidate for State Rep. district # 35

History: In 2000 Richard Brewster was elected to the NH House, from then district Merrimack # 1 (Andover, Hill, Wilmot, Danbury, Salisbury).

Current events:

1) There are 2 individuals filed for State Rep. district #35 (Richard Brewster & Barbara Brewster).

BLC 2002-3

2) Signage for one of these Brewster's, reads "Re-Elect Brewster, State Rep."

- 3) Mr.Brewster was elected in 2000 as a Republican. Currently he is one of the Democrat candidates for State Rep., to be voted Sept. 10.
- 4) Thus, in effect a fraud is being perpertrated against the voters of District # 35. Mr. Brewster is asking that voters Re-elect him at the Primary (and presumably, at the General Election), when he has never been elected as a member of the Democrat Party, to any office I know of.
- 5) Mr.Brewster changed his registration from Republican to Democrat, as a by-product of the Veto'ed Redistricting Plan, wherein Andover would have been joined with Hill, as Merrimack # 1, for 1 seat. Presumably he likes the Democrats ideas better than the Republican's ideas, as he is still listed as a Democrat, for the NH Primary, set for Sept. 10.

I would see his signage changed, to reflect the reality of his election (history), as a Republican, in 2000, and now, as a Democrat, to read "Elect Brewster, State Rep." Or, Restrain him from any signage that emphasizes his past electoral history.

For Liberty.
