Requested Action

Authorize the Department of Health and Human Services, Division of Community Based Care Services, Bureau of Developmental Services and the Office of Client and Legal Services to enter into an Agreement with Ellen J. Funds are available in the following account:

Explanation

This requested action seeks to approve an agreement with an independent contractor to work part-time (one to five days a week) as a Complaint Investigator. Complaint Investigators are needed to conduct investigations into allegations of abuse, neglect, exploitations, and rights violations under State of New Hampshire's Administrative Rule He-M 202.

Senate Bill 138, which was passed during the 2007 legislative session, established a committee to review and make recommendations regarding the quality assurance and improvement elements and activities within New Hampshire's community-based developmental services system. One of the Key Findings of this committee was "The current abuse and neglect investigations system which essentially requires the area agencies to investigate themselves has created the appearance of a conflict and undermined the credibility of the area agency reports and responses." The Committee suggested that the Bureau of Developmental Services redirect all applicable funds from the ten area agency contracts to its Bureau budget to hire independent investigators to fulfill the responsibilities associated with complaints. The Committee felt that such a change will not only assign the responsibility for such a critical activity more appropriately but will also inject greater independence, confidence and integrity to the complaint process. Moreover, the modification enables the agencies to better concentrate on responding to the findings of the investigations and making changes, both at the individual and systemic level, to remedy and prevent harmful outcomes for individuals with disabilities.

The State revised its rule and transferred the responsibility of investigating complaints from the area agencies to the Bureau of Developmental Services. Beginning September 1, 2011, the Bureau of Developmental Services contracted with individuals to conduct investigations. From September 1, 2011, through April 30, 2012, 157

formal and 33 informal investigations were completed. Based upon historic complaint data, the Bureau of Developmental Services anticipates conducting approximately 288 investigations in state fiscal year 2013.

A legal notice seeking written proposals seeking independent contractors to work part-time as Complaint Investigators, one to five days a week, was published on the Department of Health and Human Services' website and the New Hampshire Bar Association website and newspaper, beginning on April 3, 2012, and ending on April 20, 2012. As a result, the Department of Health and Human Services received 36 formal proposals. Seventeen of these individuals were interviewed and upon review of their qualifications and pertinent experience it was decided to contract with eleven of these individuals. Five of the individuals are current contracted investigators.

The salary rate is approximately \$35 an hour for state fiscal year 2013. The rate is based on historical schedules pursuant to the Division of Personnel guidelines and prevailing rates for similar well-qualified professionals in the marketplace. This rate is lower than rates of equivalent positions in the private sector and does not exceed public sector salaries and fringe benefits. The complaint investigators contracted rate of compensation ranges from \$35 to \$45 per hour based upon level of responsibilities and experience in the field. The number of hours contracted are based upon anticipated program needs and the availability of the contractor.

As referenced in Exhibit C-1, paragraph 5, this agreement has the option for a single 1-year extension of the contract upon acceptable performance of the Scope of Services, availability of funding, the agreement of the parties and subsequent approval by the Governor and Executive Council.

Should the Governor and Executive Council determine not to approve this request the Department of Health and Human Services, Bureau of Developmental Services would be in defiance of the State of New Hampshire's Administrative Rule He-M 202 that stipulates the protection of the rights of persons applying for, eligible for, or receiving services from area agencies or developmental services or acquired brain disorder programs funded through the Bureau of Developmental Services.

Area served: statewide.

Source of funds: 100.00% other funds. The area agencies will be invoiced for any complaint investigator expenses the State incurs. That revenue is what will fund this contract and is considered other funds.

Your approval of this request would be greatly appreciated.

Respectfully submitted,

Nancy L. Rollins
Associate Commissioner

10.2 Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

Confidentiality of Records: All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. Reports: Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.

The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

- e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.
