Contracts for Op Services

FY 2014 \$3,220

EXPLANATION

Pursuant to RSA 105:9, III, a police detail is required for public functions that may involve traffic-related problems or lead to a public disturbance or public nuisance. On very busy weekends at Miller State Park automobile congestion is such that cars are lined up along the town roads waiting to get into the park. In addition to traffic control and based on past experience, having uniformed police patrol throughout the park ensures public safety.

The Attorney General's office has approved this contract as to form, substance and execution.

Respectfully submitted,

Philip A. Bryce Acting Commissioner
