EXPLANATION

These State Agency awards are funded as part of the Department of Homeland Security Grant program allocation. This program assists State agencies in securing their State and communities by participating in or purchasing training, equipment to prevent, respond to, and recover from potential acts of terrorism and other potential disasters. Eligibility is based upon Federal first responder criteria, grant specific criteria, responsibilities for the State's Emergency Support Functions, and inclusion in the State's emergency prevention, response, recover, critical infrastructure and mitigation framework.

Per the recommendation of consultant reviews and an exercise sponsored by the Department of Homeland Security, the Department of Information Technology applied to the Department of Safety and was subsequently awarded \$295,000.00 of the Homeland Security grant in order to fund recommended cyber/network security measure implementation at DoIT for the Statewide IT network.

The funds are to be budgeted as follows:

The funds in class 038- Technology-Software are needed for the funding of computer software associated with the recommended cyber/network security measure implementation at DoIT for the Statewide IT network.

The funds in class 046-Consultants are needed for the purpose of hiring independent consultants to review and recommend increased cyber/networking security measures at DoIT for the statewide IT network.

The following information is provided in accordance with the Comptroller's instructional memorandum dated September 21, 1981.

- 1. List of personnel involved: Temporary consultants.
- 2. Nature, Need and Duration: The temporary consultants will provide for the increased needs for subject matter experts beyond the limited resources of in-house personnel.
- 3. Relationship to existing agency programs: Expands the security measures at DoIT's Data Center and statewide security for all agencies currently using the Data Center.
- 4. Has a similar program been requested of the legislature and denied? No.
- 5. Why wasn't funding included in the agency's budget request? It was unclear at the time that there would be a potential need for consultant to complete these tasks.
- 6. Can portions of the grant funds be utilized. This request is 100% federally funded.
- 7. Estimate the funds required to continue this positions: The temporary consulting positions are estimated at \$125,000.00

Respectfully submitted,
