EXPLANATION

The purpose of the New Hampshire Safe Streets Task Force funds granted to the New Hampshire Department of Corrections is to provide financial assistance to offset the overtime expenses incurred by the Manchester Probation/Parole Officer(s) participating in the SSTF initiative. The Safe Streets Task Force initiative is a multiagency effort between the Federal Bureau of Investigations, the Manchester Police Department, the New Hampshire State Police, and the State of New Hampshire Department of Corrections Probation/Parole Manchester District Office entailing law enforcement personnel patrolling and assisting undercover operations to

target violent crime, drugs, weapons, street gangs, and an intensified focus on the apprehension of dangerous fugitives to create a safer environment. The NH Department of Corrections has a continuing commitment to, and involvement with, the Safe Streets Task Force since becoming a part of the initiative in 2008.

The FBI approved funding for the New Hampshire Department of Corrections (NHDOC) participation in the Safe Streets Task Force for FFY 2013, effective from October 1, 2012 through September 30, 2013. The FFY 2013 SSTF funding allows for a maximum of \$1,433.52 in overtime Salary expense per month, for a total award of \$17,202.25. The SSTF program does not support the Benefits costs (Group II Retirement and Medicare) associated with overtime salary expenditures. Benefit costs incurred from the Probation/Parole Officer's participation with the Safe Streets Task Force will be supported by the New Hampshire Department of Corrections Drug Forfeiture-State fund.

The NH Department of Corrections has received approval from the FBI for FFY13 supplemental SSTF funding, per the attached letter dated January 14, 2013, in support of an additional PPO's participation in the Safe Streets Task Force initiative. This addendum to the current SSTF award, would allow for reimbursement of the additional PPO's overtime salary, with a monthly limit of \$1,433.52, effective upon Governor and Executive Council approval, through September 30, 2013. As with the original SSTF award, the Benefits costs associated with the additional PPO's participation is not an allowable cost for reimbursement from the FBI.

The NH Department of Correction's Drug Forfeiture-State fund is a special non-lapsing account established from funds awarded to the Department for its participation in drug related seizures of property. Upon final court orders specifying property seized in connection with illegal drug activity are to be forfeited (RSA 318-B:17-b), a percentage of the remaining proceeds from the sale of forfeited items, once all outstanding costs associated with the seized items are met, shall be distributed by the Department of Justice to the law enforcement agency or agencies responsible for the seizure. Per RSA 318-B:17-b allowable use of the Drug Forfeiture-State fund include meeting expenses incurred by law enforcement agencies in connection with drug-related investigations.

The requested adjusted SFY 2013 funds are to be expended as follows:

Class 018 - Overtime -

· Salary at Overtime rate for PPO's participation in the Safe Streets Task Force

Class 060 – Benefits -

· Benefits (Group II Retirement and Medicare)

The NH Department of Corrections Safe Streets Task Force award budget does not include Indirect Costs, Post Retirement, Audit Fee Set Aside or Benefits as these costs are not identified as part of the sub grant award.

In the event that Federal Funds no longer become available, State general funds will not be requested to support this program.

Respectfully Submitted,

William L. Wrenn
