REMINDER

Auc 501.02 Standards of Conduct.

(i) The responsible auctioneer listed in auction advertisements shall be physically present at said auction. If the responsible auctioneer cannot, for whatever reason, be present at the auction, another New Hampshire licensed auctioneer shall be designated as the agent of the responsible auctioneer and be present throughout the auction. The responsible auctioneer shall still be the licensee fully responsible for the conduct of the auction. However, the designated agent shall be also held responsible for his own actions at the auction, but this does not relieve the liability of the responsible auctioneer.
