REVISED SCHEDULING ORDER

On December 27, 2011 a hearing was conducted on the BSR’s request for an extension of time within which to complete their on-site examination of LGC financial information. Presentations by counsel during that hearing resulted in certain revisions in the previously issued Scheduling Order, dated December 14, 2011 and amended Therefore, the following schedule shall be hereafter in effect:

1. Each respondent shall file a responsive, specific answer to the BSR petition, as amended, on or before January 6, 2012.
2. All parties’ counsel shall reserve time for informal conferences of counsel beginning at 2:00 PM on Monday, February 7, 2012; and Monday, March 6, 2012 to be convened by the presiding officer at Room 425 in the State House Annex.
3. The BSR on-site examination activities shall cease on or before January 13, 2012 unless otherwise agreed to by the parties. This cessation shall not prevent the LGC from providing related documents identified and requested by the BSR as a result of its on-site examination that are not otherwise subject to valid privilege for which proper *Vaughn* index procedures shall be applied. Any conflict in the discovery of any such documents shall be addressed upon the submission of a motion by the BSR stating a description of such documents and the legal basis supporting its request for such documents.

4. The BSR shall disclose its experts and provide to the respondents its forensic accountant's report and any other expert report on or before February 17, 2012. Thereafter, the BSR shall not be allowed to further amend its petition unless new evidence incapable of being reasonably discovered prior to the completion of said report or other similarly restrictive good cause can be shown.
5. The respondents shall disclose and provide their experts' reports to the BSR on or before March 16, 2012.
6. All discovery shall be completed no later than March 27, 2012.
7. All dispositive motions shall be filed no later than March 29, 2012. Any objections thereto shall be filed within ten (10) days.
8. Each party's final witness list and final exhibit list shall be filed no later than March 29, 2012.
9. The final pre-hearing informal conference of counsel shall be conducted March 29, 2012 at a time and location to be later specified.
10. The evidentiary hearing regarding the merits and defenses of the issues remaining in controversy between the BSR and the respondents shall begin on April 30, 2012 at a time and location to be later specified and shall continue from day to day thereafter until completed unless otherwise ordered.
11. Any provisions of existing orders not inconsistent with this order shall remain in effect.

So ordered, this 30th day of December, 2011
