EXPLANATION

The Department of Health and Human Services, Division of Client Services, Division for Children Youth and Families, Division of Child Support Services, Bureau of Elderly and Adult Services and Bureau of Juvenile Justice Services have occupied this Laconia District Office location at 65 Beacon Street since 1982 currently housing seventy-eight employees. This request is submitted as a sole source amendment because it was determined to be a more cost effective way to secure the necessary office space for up to thirty months. The
Amendment is retroactive, as the Landlord’s lender requires their approval prior to the landlord signing any amendment; proceeding without the lender’s approval could result in a fine to the Landlord. The first amendment was lost by the Landlord’s lender, therefore, another amendment was sent, however, with still no response after over a month, the Landlord opted to sign the amendment and proceed with the Amendment, without consent from their lender.

The amendment reflects an increase in the term of the lease for up to thirty months. Extending the term will allow the Department to continue lawful payment of rent while continuing occupancy at the Premises. During this period a Request for Proposal, utilizing the competitive bidding process, will be prepared for future occupancy of office space serving the Lakes Region catchment area. The Department is in the process of innovating and refining the business model it employs at District Offices. The Department will need up to thirty (30) months to finalize the process and obtain authorization of any subsequent lease contract.

The lease is structured to be payable as a full gross lease inclusive of heat, electricity, real estate taxes, janitorial services and common area maintenance. The lease amendment provides the same terms and conditions as the original lease. The current lease rate is $16.22 per square foot gross; the lease amendment provides the same rate of $16.22 for the first twelve months; months 13 through 24 will increase 1% to $16.38 per square foot; months 25 through 30 will increase 1.5% to $16.63 per square foot. The square footage remains the same at 15,480 square feet.

The original lease was competitively bid in January of 2005, during that time the Request For Proposal was published in two newspapers and as a result only one proposal was received, resulting in a renewal lease.

Approval of this lease amendment will allow the Department to continue to provide services to the public in a secure environment while pursuing the Request For Proposal.

The area serviced by this amendment is the entire Belknap County and partial Grafton and Carroll Counties.

Funding for this request is General Funds 60%, Federal Funds 40% by cost allocation across benefiting programs.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this agreement.

Respectfully submitted,

Stephen J. Mosher
Chief Financial Officer

Amendment of Agreement:

EXPLANATION

The Department of Health and Human Services (DHHS), Division of Family Assistance, Division for Children Youth and Families, Office of Child Support Services, Bureau of Elderly and Adult Services and Division for Juvenile Justice Services have occupied this Laconia District Office location at 65 Beacon Street.
since 1982 currently housing seventy-eight employees. This request is submitted as a sole source amendment because it was determined to be a more cost effective way to secure the necessary office space for up to twenty-four months. This amendment also provides an early termination clause that allows the Department the right of early termination” of the term, after the initial fourteen (14) months of the term has passed. The Department may exercise the option by delivering written notification to Landlord 120 days in advance of the desired termination date.

The amendment reflects an increase in the term of the lease for up to twenty-four months. Extending the term will allow the DHHS to continue lawful payment of rent while continuing occupancy at the Premises. During this period a Request for Proposal, utilizing the competitive bidding process, will be prepared for future occupancy of office space serving the Lakes Region catchment area. The DHHS is in the process of innovating and refining the business model it employs at District Offices. The Department will need up to twenty-four (24) months to finalize the process and obtain authorization of any subsequent lease contract.

The lease is structured to be payable as a full gross lease inclusive of heat, electricity, real estate taxes, janitorial services and common area maintenance. The amendment provides the same terms and conditions as the original lease. The current lease rate is $15.82 per square foot gross; the lease amendment provides the same rate of $15.82 per square foot for the first twelve months with a 2.5% increase in the last twelve months to $16.22 per square foot. The square footage remains the same at 15,480 square feet.

The original lease as approved by Governor and Council was competitively bid following the publication of the Request For Proposal (RFP) in the New Hampshire Union Leader and the Laconia Evening Citizen on January 20, 21 and 27, 2005. In addition, the current Landlord, Laconia area real estate agencies, the Commercial Investment Board of Realtors, and others were sent a copy of the advertisement. Over and above the aforementioned, the Department submitted the advertisement to the Department of Administrative Services for inclusion on the State’s web page for broadened exposure. The RFP produced one response from Cablecar Realty, Inc. (current Landlord) with the existing property as is located at 65 Beacon Street. Therefore, the Department renegotiated with the existing Landlord for a five-year renewal.

Approval of this lease amendment will allow the Department to continue to provide services to the public in a secure environment while pursuing the RFP.

The area serviced by this amendment is the entire Belknap County and partial Grafton and Carroll Counties.

Funding for this request is General Funds 60%, Federal Funds 40% by cost allocation across benefiting programs. In the event that the Federal Funds become no longer available, General Funds will not be requested to support this agreement.

Respectfully submitted,

James P. Fredyma
Controller

EXPLANATION

The purpose of this request is to enter into a lease renewal agreement with Cablecar Realty, LLC. The Department has occupied its current lease space at 65 Beacon Street since 1982 currently housing seventy-eight employees, inclusive of the Division of Family Assistance, Division for Children Youth and Families, Office of Child Support, the Bureau of Elderly and Adult Services and the Division of Juvenile Justice Services.

In January of 2005, a space search was conducted through newspaper advertisements in the Manchester Union Leader and the Laconia Evening Citizen (see attached ADVERTISING SCHEDULE). In addition, the current Lessor, Laconia area real estate agencies, the Commercial Investment Board of Realtors and others were sent a copy of the advertisement (see attached Direct Recipients). Over and above the aforementioned, the Department submitted the advertisement to the Department of Administrative Services for inclusion on the State's WEB page for broadened exposure. The RFP produced one response from Cablecar Realty, Inc. (current Lessor) with the existing property as is located at 65 Beacon Street. Therefore, the Department renegotiated with the existing Lessor for a five-year renewal.
The negotiated lease provides a gross lease rate of $14.26 per square foot for the first year with 2% escalators for years two through five. The current lease rate is $13.84 per square foot gross; the square footage remains the same at 15,480 square feet. There are no options to extend this lease renewal.

In addition, the following items will be provided by the Landlord at no additional cost to the Department: the Landlord will replace existing and or re-key existing door hardware, remove existing sheet vinyl flooring and replace with new 12x12 vinyl tile at restrooms, relocate six existing recessed incandescent lighting, replace approximately twenty-eight plastic laminate window sills, replace or repair approximately thirteen window shades, patch as required and paint existing walls in common areas.

The renewal includes no additional moving expenses and provides continued uninterrupted services to clients. The lease renewal negotiated with the current Lessor provides the same terms and conditions as the original lease. Included in the monthly rental payments are the following costs associated with the leasehold property: base rent, heat, electricity, janitorial services, real estate taxes and common area maintenance.

In addition, as part of this lease agreement, a special provision (Exhibit E, Paragraph 1) will allow the Department to request minor alterations, renovations and modifications to be made by the Lessor at the Department’s expense without amending the amount of this contract.

Approval of this lease renewal will allow the Department to continue to provide services to the public in the Laconia Area.

The area served by this lease is the entire Belknap County and partial Grafton and Carroll Counties.

Funding for this request is General Funds 59%, Federal Funds 41% by cost allocation across benefiting programs.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this agreement.

Respectfully submitted,

James P. Fredyama
Controller

When such fire, causality or taking renders the Premises substantially unsuitable for their intended use, a just and proportionate abatement of the rent shall be made as of the date of such fire, causality, or taking, until such time as the Landlord repairs the Premises, provided however, that the Tenant may elect to terminate this lease if:

17.1 Landlord's Failure to Provide: The Landlord fails to provide written notice within thirty (30) days of the causative event of his intention to restore the Premises, or:

17.2 Landlord's Failure to Repair: The Landlord fails to restore the Premises to a condition that is substantially suitable for their intended use within ninety (90) days of said fire, causality, or taking. The Landlord reserves, and the Tenant grants to the Landlord, all rights which the Landlord may have for damages or injury to the Premises, or for any taking by eminent domain, except for damage to the Tenant's fixtures, property, or equipment, or any award for the Tenant's moving expenses.

18. Event of Default; Termination by the Landlord and the Tenant:

18.1 Event of Default; Landlord's Termination: In the event that:

18.1.1. Tenant's Failure to Pay Rent: The Tenant shall default in the payment of any installment of the rent, or any other sum herein specified, and such default shall continue for thirty (30) days after written notice thereof; or:

18.1.2. Tenant's Breach of Covenants, etc.: The Tenant shall default in the observation of or performance of, any other of the Tenant's covenants, agreements, or obligations hereunder and such default is not corrected within thirty (30) days of written notice by the Landlord to the Tenant specifying such default and requiring it to be remedied then: The Landlord may serve ten (10) days written notice of cancellation of this Lease upon the Tenant, and upon the expiration of such five days, this Lease and the Term hereunder shall terminate. Upon such termination the Landlord may immediately or any time thereafter, without demand or notice, enter into or upon the Premises (or any part thereof) and repossess the same.

18.2 Landlord's Default: Tenant's Remedies: In the event that the Landlord defaults in the observance of any of the Landlord's covenants, agreements and obligations hereunder, and such default shall materially impair the habitability and use of the Premises by the Tenant, and is not corrected within thirty (30) days of written notice by the Tenant to the Landlord specifying such default and requiring it to be remedied, then the Tenant at its option, may withhold a proportionate amount of the rent until such default is cured, or it may serve a written five (5) day notice of cancellation of this Lease upon the Landlord, and upon the expiration of such a five day period the Lease shall terminate. If any such default of the Landlord does not materially impair the habitability and use of the Premises by the Tenant, the Landlord shall cure such default within thirty (30) days of written notice or within a reasonable alternative amount of time agreed upon in writing by Tenant, failing which, Tenant may terminate this Lease upon ten (10) days written notice to Landlord.

18.3 Rights Hereunder: The rights granted under this Section are in addition to, and not in substitution for, any rights or remedies granted herein to the parties, or any rights or remedies at law, or in equity.
19. Surrender of the Premises: In event that the Term, or any extension thereof, shall have expired or terminated, the Tenant shall peacefully quit and surrender the Premises to the Landlord, together with all improvements, alterations, or additions made by the Tenant which cannot be removed without causing damage to the Premises. The Tenant shall remove all of its personal property and shall repair any damage caused by such removal. The Tenant's obligations to observe or perform the covenants contained herein shall survive the expiration or termination of this Lease.

20. Broker's Fees and Indemnification: The Landlord agrees and warrants that the Tenant owes no commissions, fees or claims with any broker or finder with respect to the leasing of the Premises. All claims, fees or commissions with any broker or finder are the exclusive responsibility of the Landlord, who hereby agrees to exonerate and indemnify the Tenant against any such claims.

21. Notice: Any notice sent by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by registered or certified mail, postage prepaid, in a United States Post Office, addressed to the parties at the addresses provided in Section 1 herein.

22. Miscellaneous:

22.1 Extent of Instrument, Choice of Laws, Amendment, etc.: This Lease, which may be executed in a number of counterparts, each of which shall have been deemed an original but which shall constitute one and the same instrument, is to be construed according to the laws of the State of New Hampshire. It is to take effect as a sealed instrument, is binding upon, inures to the benefit of, and shall be enforceable by the parties hereto, and to their respective successors and assigns, and may be canceled, modified, or amended only by a written instrument executed and approved by the Landlord and the Tenant.

22.2 No Waiver or Breach: No assent by either party, whether express or implied, to a breach of covenant, condition or obligation by the other party, shall act as a waiver of a right for action for damages as a result of such breach, nor shall it be construed as a waiver of any subsequent breach of the covenant, condition, or obligation.

22.9 Special Provisions: The parties' agreement (if any) concerning modifications to the foregoing standard provisions of this lease are set forth in Exhibit E attached hereto.

22.10 Incompatible Use: The Landlord will not rent, lease or otherwise furnish or permit the use of space in this building or adjacent buildings, or on land owned by or within the control of the Landlord, to any enterprise or activity whereby the efficient daily operation of the Tenant would be adversely affected by the subsequent increase in noise, odors, or any other objectionable condition or activity.

The Landlord shall consult with “Bureau of Environmental and Occupational Health” and the testing lab that performed the initial test for their recommendation of how to remedy any deficiencies. The Landlord shall (at his sole expense) proceed to remedy the air quality deficiencies through repair and/or renovations to the premises. Any and all required repairs or renovations shall be completed within a reasonable time frame, which shall in no instance exceed three (3) months. After the completion of all repairs to the air handling system, the Landlord shall have the premises re-tested for compliance, again submitting the testing results to Bureau of Environmental and Occupational Health for their review and recommendations or issuance of their “Certificate of Compliance”.

The Architectural Barrier-Free Design Committee respectfully recommends that the subject Lease Renewal be approved with the following conditions: All renovations submitted to meet these conditions must be done in compliance with Exhibit D and with all applicable codes and regulations within 30 days of the inception date of the lease.

1. Previous condition from recommendation letter dated September 7, 2000 that has not yet been met: ALL permanent signs must provide raised letters and Braille throughout the office.

New Wording:
Install raised letter and Braille signage where permanent signs are present and at all restrooms, in compliance with ADAAG: 4.1., 4.10 and 4.30 and ANSI-98 703.

Additional Conditions:

2. Insulate the pipes beneath the sink in the accessible restroom, in compliance with ADAAG 4.19.4 and ANSI-98 606.6.

This recommendation is based upon the site-survey completed by and the assurances of the leasing agency's ADA Coordinator that this facility will be accessible upon compliance with the above conditions.

Should future inspection prove that areas of non-compliance exist, the agency should either withhold rent until the landlord brings the facility into compliance or the agency should negotiate to remedy the non-complying areas with the state.
