IN THE MATTER OF:

Spartan Capital Securities, LLC

Respondent

CONSENT ORDER

I. For purposes of settling the above-referenced matter and in lieu of further administrative proceedings, Spartan Capital Securities, LLC, (hereinafter referred to as "SCS"), has submitted an offer of settlement, which the Bureau of Securities Regulation, Department of State, State of New Hampshire (hereinafter referred to as "the Bureau") has determined to accept. Accordingly, the Respondent does hereby consent to, the following findings, conclusions, undertakings and sanctions:

The Facts

1. SCS, is a business entity with a principal office listed at 45 Broadway, 9th Floor, New York, NY 10006. CRD records indicate that SCS is licensed as a broker-dealer with the Securities and Exchange Commission ("SEC"), and has been licensed in the State of New Hampshire since 7/11/2008. SCS’ CRD number is 146251 and SEC number is 8-67801.

2. On or about March 2011, the Bureau received a complaint from one New Hampshire resident regarding an unsolicited cold call received at his home regarding the purchase of Allstate stock from an Edward Segur (Segur) of SCS. In a Staff Petition For Relief, the Bureau alleged that the call was prohibited by the Telemarketing Rules of the Financial Industry National Regulatory Association (FINRA) designed to prohibit calls made to Do-Not-Call numbers, and that Segur was unlicensed in New Hampshire to sell securities. In a Consent Order dated 1/4/2012, SCS entered into a Consent Order under which SCS agreed to cease and desist from the alleged conduct, pay a fine, and to take steps to make changes in their compliance system to prevent future violations. In an effort to comply with the Bureau’s Order, in
about July of 2012, SCS instituted the Gryphon system which is designed to physically block Do-Not-Call numbers. However, despite the 1/4/2012 Consent Order and the addition of the Gryphon system, SCS continued to receive complaints logged into the Federal Trade Commission's (FTC) Consumer Sentinel Network regarding prohibited telemarketing calls being made in other states by SCS. None of the calls were made into New Hampshire. In a subsequent Staff Petition For Relief filed on 8/2/2012, the Bureau alleged that SCS violated the 1/4/12 Consent Order in that they failed to come into compliance with FINRA’s Telemarketing Rules specifically Rule 3230 which prohibits calls to registered numbers unless an exception applies. SCS is unaware of why the calls were made and believes that the Gryphon system may have been inactivated at the time of some of the calls. The Gryphon system has been tested and it has been represented to work to block calls to numbers entered into the system.

8. Respondent agrees that this Agreement is entered into for purpose of resolving only the matter as described herein. This Agreement shall have no collateral estoppel, res judicata, evidentiary, or other legal effect in any other lawsuit, proceeding, or action, not described herein. Likewise, this Agreement shall not be construed to restrict the Bureau's right to initiate an administrative investigation or proceeding relative to conduct by Respondent of which the Bureau has no knowledge at the time of the date of final entry of this Agreement.

9. The Respondent may not take any action or make or permit to be made any public statement, including in regulatory filings or otherwise, denying, directly or indirectly, any allegation in this consent agreement or create the
impression that the consent agreement is without factual basis. Nothing in this provision affects the Respondent's testimonial obligations or right to take legal positions in litigation in which the State of New Hampshire is not a party.
