Bureau of Construction  
July 29, 2013

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire  03301

REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Surface Preparation Technologies, LLC (Vendor 167250) of Mechanicsburg, PA on the basis of a single bid of $219,840.00 for milling rumble strips in the shoulders and along the centerline of NH Route 111 from Hudson to Kingston, from the date of Governor and Council approval through November 22, 2013 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available as follows:

</tr>
<tr>
<td>$219,840.00</td>
</tr>
</tbody>
</table>

EXPLANATION

This project is part of the annual Highway Safety Improvement Program. This project involves milling approximately 37 roadway miles of shoulder rumble strips and approximately 18 miles of centerline rumble strips on NH Route 111. The rumble strips are being milled along this roadway as a low-cost safety solution that alerts drivers when they drift from their travel lane, providing an opportunity for the driver to maneuver their vehicle out of harm’s way.
The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State’s Office and the Department of Administrative Service’s Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 90% federal funds with 10% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

[Signature]

Christopher D. Clement, Sr.
Commissioner

CDC/md

Department Estimate: $293,940.00
Contract Amount: $219,840.00
Under Estimate: $74,100.00

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project involves milling rumble strips/stripes in the shoulders and along the centerline of NH Route 111 from Hudson to Kingston. The project begins at the intersection of Kimball Hill Road (MM 9.6) and proceeds east 7.1 miles to the intersection of Wall Street (MM 16.7). There is a gap from Wall Street to east of intersection of NH Route 28 where no rumble strips or stripes will be placed. The rumble strips/stripes begin from a point just east of the intersection of NH Route 28 (MM 19.2) and continue east 11.0 miles to the intersection of Mili Road (MM 30.2). Rumble stripes will be milled in the right shoulder along NH Route 111 and the 4 inch pavement marking will be placed directly over the milled area closest to the travel way. Since this is a highly traveled bicycle route, a minimum 4 feet clear area will be provided from the strip to the edge of pavement or a minimum 5 feet clear area will be provided where vertical obstructions, such as guardrail, are present. Gaps of 12 feet will be provided every 48 feet unless other breaks for side roads or major drives are provided.

FEDERAL FUNDING: 90% (HSIP) utilizing Turnpike Toll Credits as the State’s 10% match

PROJECT INITIATED: State’s 10-Year Transportation Improvement Plan

PROJECT EXPLANATION: This project involves milling approximately 37 roadway miles of shoulder rumble stripes and approximately 18 miles of centerline rumble strips on NH Route 111. The rumble strips are being milled along this roadway as a low-cost safety solution that alert drivers when they drift from their travel lane, providing an opportunity for the driver to maneuver their vehicle out of harm’s way.

TRAFFIC IMPLICATIONS: On NH Route 111, unless otherwise specifically approved, all work will be performed in a manner that permits two-way traffic on two paved lanes at all times. If alternating one-way traffic is approved, a 14-foot minimum width paved traveled way will be provided. Normal traffic patterns will be re-established prior to the beginning of non-work hours.

COMPLETION DATE: November 22, 2013
BIDDER SUMMARY

PROJECT NAME: HUDSON - HAMPSTEAD X-A002(963) 24518
PROJECT NUMBER: 24518
COUNTY: HILLSBOROUGH COUNTY 011, ROCKINGHAM 015
BID OPENING DATE: 07/18/2013
SCOPE OF WORK: MILLING RUMBLE STRIPS
LOCATION: NH ROUTE 111 FROM HUDSON TO KINGSTON
COMPLETION DATE: 11/22/2013
