Her Excellency Governor Margaret Wood Hassan and the Honorable Executive Council State House Concord, NH 03301-4990

REQUESTED ACTIONS

- 1. Pursuant to RSA 6-A:2, adoption is requested of the attached resolution permitting the State Treasurer to proceed with the sale and issuance of up to \$100 million of general obligation bonds through a competitive process, negotiated sale or private placement. This resolution will have an expiration date of February 28, 2014.
- 2. Pursuant to RSA 6-A:10, adoption is requested of the attached resolution permitting the State Treasurer to proceed with the sale and issuance of up to \$30 million of general obligation refunding bonds to refund outstanding bonds through a competitive process, negotiated sale or private placement. This resolution will have an expiration date of February 28, 2014.

EXPLANATION

At September 30, 2013, the State had approximately \$317 million of authorized and unissued general obligation debt outstanding. This debt has been authorized by the legislature over the past years for a variety of capital projects. The purpose of this bond issue is to finance a portion of these on-going projects.

Governor Hassan and Honorable Council September 27, 2013 Page 2

In addition to issuing debt for new capital projects, it may be prudent to refund selected past bond issuances to achieve savings of future debt service costs. The bond market continues to be extremely favorable to issuers of debt. By adopting the resolution authorizing the refunding of bonds, the Treasurer will have the flexibility to issue refunding bonds together with the "new money" bonds, if market conditions remain favorable.

RSA 6-A:2 and RSA 6-A:10 provide that the issuance of state bonds shall be authorized by the Governor and Council.

Respectfully submitted,

Catherine A. Provencher

The bonds are being issued by means of a book entry system, with bond certificates immobilized at The Depository Trust Company, New York, New York ("DTC") evidencing ownership of the bonds in principal amounts of five thousand (\$5,000) or integral multiples thereof, and with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Bond certificates are not available for distribution to the public. The principal or redemption price, if any, of and interest on this bond are payable by The Bank of New York Mellon Trust Company, N.A., or its successor, as paying agent (the "Paying Agent") for the State, to the Registered Owner of this

bond, as nominee of DTC. Transfer of principal, redemption price, if any, and interest payments to participants of DTC is the responsibility of DTC; transfer of principal, redemption price, if any, and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The State is not responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the bonds or (b) the State Treasurer determines that continuation of the book entry system of evidence and transfer of ownership would adversely affect the interests of the beneficial owners of the bonds, the State will discontinue the book entry system with DTC. If the State fails to identify another qualified securities depository to replace DTC, the Paying Agent will authenticate and deliver replacement bonds in the form of fully registered certificates.

This bond is transferable only upon the books of the State which shall be kept for such purpose by the Paying Agent. This bond may not be transferred or exchanged in a manner which would involve the delivery of bond certificates to the beneficial owners of bonds unless the book entry system has been discontinued by the State in accordance with the preceding paragraph, in which case replacement bonds may be issued in accordance with law and such procedures as the State Treasurer shall deem appropriate.

In the event any bonds are called for redemption, notice will be sent by registered mail not more than sixty (60) days nor less than thirty (30) days prior to the redemption date to the registered owner of such bonds, as nominee of DTC. It will be the responsibility of DTC and its participants to give notice of the redemption to beneficial owners of the bonds to be redeemed. With respect to the redemption of any such bond, failure to mail notice to the registered owner of any other bond, any defect in the notice to the registered owner of any other bond, or failure by DTC and its participants to provide notice of redemption to the beneficial owners of such bond will not affect the redemption of such bond. Notice of redemption having been duly given, the bonds to be redeemed, or the portions called for redemption, will become due and payable on the redemption date at the applicable redemption price and, moneys for the redemption having been deposited with the Paying Agent, from and after the date fixed for redemption interest on such bonds, or such portions, will no longer accrue.

In connection with the offering of the bonds the State has executed a Continuing Disclosure Certificate (as it may be amended from time to time, the "Certificate"). The State hereby covenants to comply with the provisions of the Certificate, and reference is made to the Certificate for a description of the nature and extent of the obligations of the State and the rights of the owners of the bonds under the Certificate. The Certificate is described in the Official Statement relating to the bonds. A copy of the Certificate is available from the State Treasurer upon request.

LEGAL OPINION

The following opinion is based on facts and the law existing on the date of original delivery of the bonds described therein.

[EDWARDS WILDMAN PALMER LLP LETTERHEAD]

The Honorable Catherine A. Provencher State Treasurer State House Annex Concord, New Hampshire 03301

[\$____]
General Obligation [Capital Improvement][Refunding] Bonds, 201_ Series _
Dated Date of Delivery

We have acted as Bond Counsel to the State of New Hampshire (the "State") in connection with the issuance by the State of the above-referenced bonds (the "Bonds"). In such capacity, we have examined the law and such certified proceedings and other papers as we have deemed necessary to render this opinion.

As to questions of fact material to our opinion we have relied upon representations and covenants of the State contained in the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based on this examination, we are of the opinion, under existing law, as follows:

- 1. The Bonds are valid and binding general obligations of the State, and the full faith and credit of the State are pledged for the punctual payment of the principal of and interest on the Bonds.
- 2. The interest on the Bonds is exempt from the New Hampshire personal income tax on interest and dividends. We express no opinion as to other New Hampshire tax consequences arising with respect to the Bonds or any tax consequences arising with respect to the Bonds under the laws of any state other than New Hampshire.
- 3. [Interest on the Bonds is excluded from the gross income of the owners of the Bonds for federal income tax purposes. In addition, interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. However, such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. We call your attention to the fact that failure by the State to comply subsequent to the issuance of the Bonds with certain requirements of the Internal Revenue Code of 1986 (the "Code") may cause interest on the Bonds to become includable in the gross income of the owners of the Bonds for federal income tax purposes retroactive to the

date of issuance of the Bonds. The State has covenanted to take all lawful action necessary under the Code to ensure that interest on the Bonds will remain excluded from the gross income of the owners of the Bonds for federal income tax purposes and to refrain from taking any action which would cause interest on the Bonds to become included in such gross income.] [Interest on the Bonds is included in the gross income of the owners of the Bonds for federal income tax purposes.] We express no opinion regarding any other federal tax consequences arising with respect to the Bonds.

This opinion is expressed as of the date hereof, and we neither assume nor undertake any obligation to update, revise, supplement or restate this opinion to reflect any action taken or omitted, or any facts or circumstances or changes in law or in the interpretation thereof, that may hereafter arise or occur, or for any other reason.

The rights of the holders of the Bonds and the enforceability of the Bonds may be subject to insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.
