**Explanation**

The Bureau of Behavioral Health is requesting funding to provide crisis respite training to 15 staff at two peer support agencies, The Alternative Life Center in Conway and HEARTS Peer Support Center of Nashua Region VI. The FY2014-2015 budget contained sizeable funding to restore the community mental health system in New Hampshire. A recent symptom of the problems with the system is the backlog of admissions to New Hampshire Hospital in local hospital emergency rooms. The establishment of three crisis respite beds at the peer support agencies is an initiative of the Bureau to relieve pressure on the system. The beds would be available for individuals in psychiatric distress from any part of the state.

Before opening the crisis respite beds, staff must be trained. The training will take place in Concord over the course of three days. The trainers are nationally recognized experts in "Intentional Peer Support" and "Peer Run Crisis Respite". Eight staff from the peer support agency in the North Country, The Alternative Life Center, will require two overnight stays, funding for meals, and mileage reimbursement. The 7 staff from HEARTS Peer Support Center of Nashua Region VI will require funding for staff wages and mileage reimbursement. A detailed list of expenses and the associated agenda for the training is attached.

Specific to Requested Action #2, the Bureau requests authorization to enter into a sole source agreement with Shery Mead Consulting to provide the training. The firm has worked for the past decade with agencies in New Hampshire, other states, and internationally to train and implement Peer Support services. They are the leading international experts on “Intentional Peer Support” and “Peer Run Crisis Respite”. They have provided trainings in “Intentional Peer Support” and “Crisis Respite” to the 10 Peer support Agencies in New Hampshire for over the past ten years. Chris Hansen and Lenora Kimball are employees of Shery Mead Consulting and will be conducting the training. The training performance will be evaluated by the participants - those assessments will affect the likelihood of hiring Shery Mead Consulting in the future.

Should the Governor and Council determine to not authorize this request, the State will not be able to open three crisis respite beds which would have provided some immediate relief to local emergency rooms which have been forced to house persons in psychiatric crisis for extended stays while waiting for beds to open at New Hampshire Hospital.

Area served: Statewide.

Source of funds: **73%** General Funds. **27%** Federal Funds.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).
LOWER TIER COVERED TRANSACTIONS

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
