EXPLANATION

RSA 228:29, authorizes the Commissioner to use funds accruing to the Department of Transportation for the payment of small claims occasioned by accidents due to the activities of the Department of Transportation. Any person claiming damage due to the activities of the Department of Transportation may seek payment of the small claim if the amount is less than \$600.00. If, upon investigation, the small claim is valid, the Commissioner shall submit the recommendation for payment to the Governor and Council for approval.

To improve efficiency in processing these small claims, and to be more responsive to those claimants awaiting payment for a small claim, the Department of Transportation initiated a blanket approval process at the beginning of Fiscal Year 1996. The revised process was approved by Governor and Council on July 19, 1995 as Item #171. The process requires the Department of Transportation to seek approval from the Governor and Council prior to each Fiscal Year quarter and submit the claims paid in the previous quarter.

A review of claims approved for payment during the fourth quarter of Fiscal Year 2014, to date, indicates that one claim was paid.

Claimant: Eleanor Hardie

Amount: \$566.00

Ms. Hardie's vehicle was damaged as she traveled from Folsom Road onto Route 16B in Center Ossipee, New Hampshire on August 28, 2013 when she encountered the freshly painted white edge line paint. The Department's pavement marking crew was applying paint and according to the Pavement Marking Sign Placement Sheet, did not properly place warning signs of the painting operation at the intersection of Folsom Road and Route 16B. The absence of any signs providing notice of the painting operation constituted an insufficiency.

A summary of the action taken on all claims for Fiscal Year 2014 is on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.
