- 14.3. Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.
- 14.4. Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.
- 14.5. Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.
- 14.6. CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.
- 14.7. Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant

Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

- 14.8. In the event Grantee fails to enforce the provisions of the Subrecipient Agreement or fails to cure an Event of a Default under the Subrecipient Agreement, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient Agreement or the Mortgage to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Mortgage. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage obligations or in curing any Event of Default thereunder.

Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT COSTS

- 2.1. When Project Funds May Be Released. 4.5. Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II(b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6. Up to \$475,000 of Grant Funds may be applied by Grantee for costs related to the Project Activity.

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents in connection with the grant application knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

2.1 Project Description.

This project shall consist of the awarding of \$500,000 in Community Development Block Grant (CDBG) funds to the Grantee to fund energy efficiency and other improvements to 50 affordable housing units (the “Project”) known as the Stafford House situated at the corner of Main and Church Streets in Laconia, New Hampshire (the “Project Property”).

2.2 Benefit to Low- and Moderate- Income Persons.

The general purpose of the project is to principally benefit Low- and Moderate-Income Persons as that term is defined in the Grant Agreement: “those Persons whose income falls at or below the “low income” level as referenced in Appendix 2 of Chapter 300 Cdfa CDBG Rules, and as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD’s “low- and moderate-income levels” for its various programs and is updated on an annual basis. The most current HUD Income Limits may be found at CDFA’s website at www.nhcdfa.org

Disbursement of grant funds shall be in accordance with the terms of the Grant Agreement, including Exhibit B.

City of Laconia – Laconia Housing Authority’s Stafford House Renovations - \$500,000 – (Housing)

The City of Laconia is requesting \$500,000 on behalf of the Laconia Housing Authority to fund energy improvements to the Stafford House.

Originally constructed as a hotel, the Stafford House is a one-hundred-year-old building which contains 50 one bedroom and efficiency units and is located at the prominent corner of Main and Church Streets in downtown Laconia. The Stafford House is owned by a limited partnership in which Laconia Housing Authority (LHA) is the general partner. The limited partnership was created 15 years ago in order to utilize Low Income Housing Tax Credits. As is typical in Low Income Tax Credit financed projects, it is anticipated that the limited partner will be exiting soon and LHA will remain as the sole partner. The low income housing restrictions will expire in 2028 and the LHA is committed to maintain the affordability of 48 of the 50 units until 2034, the end of the 20 year CDBG affordability period.

The housing units are in desperate need of major upgrades, primarily in the area of energy efficiency. According to the CDBG Planning Grant energy audit completed in December 2013, the Stafford House consumes 29% more energy than the national average for buildings of its size. In order to reduce energy consumption and make the building more affordable to operate, the following improvements are recommended by the Resilient Building Group:

- Insulation and air sealing
- Window replacement
- Fixture and lighting replacement
- Installation of solar hot water system

All of the units are occupied by tenants who are low- and very low-income. Occupants also receive a preference for a Housing Choice Voucher from LHA to assist them with their rent payments.

The total cost of the project is \$500,000. Energy and other improvements to the building are \$425,000, \$50,000 will be used for the Construction Manager, and \$25,000 for CDBG Administration. There are match funds in the form of Utility Rebates in the amount of \$124,350 and \$650 from the LHA to pay their project legal, and other costs.
