COMMISSIONER

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management (HSEM), requests authorization to amend the grant agreement (PO#1037741) with the Town of Gilford (VC#177393-B002) for upgrades to the community's Emergency Operations Center (EOC) to include security enhancements, communication equipment and the installation of an emergency generator. This amendment will extend the completion date only from September 30, 2014 to September 30, 2015. The grant was initially approved by the Governor and Executive Council on June 4, 2014, Item #96. Effective upon Governor and Council approval. Funding source: 100% Federal Funds.

Explanation

This request for an extension is needed because the grant project was delayed due to the time it took to receive FEMA's approval of the Environmental and Historic Preservation (EHP) screening relative to the new Emergency Operations Center's (EOC) proposed footprint and generator being located within a Zone A, critical flood plain area. Also, a new Police Chief was hired June 1, 2014 and is a key member of the project's management team and directly involved in every aspect of the project. Project bidding by the Town will commence in August 2014 with construction estimated to last approximately one year. It was agreed that a request for an extension to September 30, 2015 through Governor and Executive Council, if approved, would allow the Town sufficient time to complete their project. HSEM has reviewed this request with the Federal Emergency Management Agency (FEMA) and it was determined that the date extension will not affect Federal funding.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes
Commissioner of Safety

Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management requests authorization to enter into a grant agreement with the Town of Gilford (VC#177393-B002) for upgrades to the community's Emergency Operations Center (EOC) to include security enhancements, communication equipment, and the installation of an emergency generator for a total amount of \$169,424.00. Effective upon Governor and Council approval through September 30, 2014. Funding source: 100% Federal Funds.

Funding is available in the SFY 2014 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety	Homeland Sec-Emer Mgmt	100% EMPG Local Match
072-500574	Grants to Local Gov't - Federal		
Activity Code: 23EM128092			\$169,424.00

Explanation

The purpose of this project is to purchase and install a generator at the Police Department to provide sufficient emergency power for department operations during power outages. The Police Department houses the Emergency Operations Center (EOC) and the installation of video surveillance system will increase site security. The grant will fund furniture and video display equipment that will be used in the EOC to increase situational awareness during emergencies. The dispatch center will install two radio consoles that will ensure interoperability for first responder communication. This critical infrastructure needs to be fully operational at all times for the safety of the responders and the citizens of the community. The grant listed above is funded from the FFY'12 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are sent out to all Emergency Management Directors and other qualified organizations in the State. Grantees submit applications to this office, which are reviewed and approved by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives. The criteria for approval are based on grant eligibility in accordance with FFY'12 grant guidance and the documented needs of the local jurisdictions; a copy of this guidance is attached.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the grantees. The grantee acknowledges their match obligation as part of Exhibit A to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes
Commissioner of Safety

10. **CONDITIONAL NATURE OR AGREEMENT.** Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

15. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit A without the prior written consent of the State.
16. INDEMNIFICATION. The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee or Subcontractor, or subgrantee or other agent of the Grantee.
