REQUESTED ACTION

Authorize the Department of Health and Human Services, Office of Human Services, Bureau of Homeless and Housing Services to enter into a **sole source** agreement with Lakes Region Mental Health Center, Inc., d/b/a Genesis Behavioral Health, 111 Church Street, Laconia, NH 03246, (vendor code 154480-B001) to provide Continuum of Care program services to homeless individuals in an amount not to exceed \$37,670; effective upon Governor and Council approval for the period of February 1, 2015 through January 31, 2016. The source of funding is 100% Federal Funds.

Funds are available in State Fiscal Year 2015, and anticipated to be available in State Fiscal Year 2016, to support this request in the following account with the ability to adjust encumbrances in each of the State Fiscal Years through the Budget Office if needed and justified.

SFY	Class/Object	Class Title	Activity Code	Budget
2015	102-500731	Contracts for Program Services	42306040	\$15,696
2016	102-500731	Contracts for Program Services	42306040	\$21,974
			Total:	\$37,670

EXPLANATION

This request is **sole source** because the U.S. Department of Housing and Urban Development regulations require the Department to specify the vendor's names during the federal application process prior to the grant awards being issued. The Department has administered this program for over twenty (20) previous rounds of federal funding, and has not yet been notified of the funding amounts available from the U.S. Department of Housing and Urban Development. However, the Department executed this contract for anticipated funding such that when the federal funds do become available, vendor access to the funds will allow continuation of services to homeless individuals without interruption. The agreement provides prospective funds from the U.S. Department of Housing and Urban Development Supportive Housing Demonstration, Permanent Housing for the Handicapped Homeless program. This program is subject to the US Department of Housing and Urban Development application and award process. Funds are administered by the Department of Health and Human Services.

The U.S. Department of Housing and Urban Development developed the Continuum of Care concept to support communities in their efforts to address the problems of housing and homelessness in a coordinated, comprehensive, and strategic fashion. The Continuum of Care serves three main purposes:

- 1) A strategic planning process for addressing homelessness in the community.
- 2) A process to engage broad-based, community-wide involvement in addressing homelessness on a year-round basis.
- 3) An opportunity for communities to submit an application to the U.S. Department of Housing and Urban Development for resources targeting housing and support services for homeless individuals and families.

Working under the Continuum of Care program, funded by the US Department of Housing and Urban Development, the vendor will provide permanent housing for seven (7) or more individuals at the Genesis Behavioral Health Summer Street facility. A comprehensive supportive services network will be provided to meet housing needs for handicapped individuals and to promote the ability of participants to live more independently. Performance is monitored through the required submission of quarterly and annual progress reports regarding the performance of the program and the individuals it serves as well as ongoing data reporting on the Homeless Management Information System.

Should Governor and Executive Council determine not to approve this request, shelter and homeless prevention resources for people who are homeless may not be available in this community, and there will be an increase in demand for services placed upon the region's local welfare authorities. Further, an ongoing project may not be able to continue, causing additional individuals to become homeless. People who are without housing and resources will resort to seeking shelter in places that are not fit for habitation, or will attempt to travel to shelters in other communities. This will increase the likelihood that people who are homeless will be in danger of injury or death, and will be cut off from basic supports for health, education and treatment. Numerous jobs would also be lost since the shelter and/or resource agency would have to close its doors or drastically reduce staff.

Area served: Belknap and Grafton Counties.

Source of funds: 100% Federal Funds from the United States Department of Housing and Urban Development Continuum of Care Program, Office of Community Planning and Development, Code of Federal Domestic Assistance Number (CFDA) #14.267.

In the event that the federal funds become no longer available, general funds will not be requested to support this program.

Respectfully submitted,

Mary Ann Cooney
Associate Commissioner

Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

 - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
 - III. For data aggregation purposes for the health care operations of Covered Entity.

- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

 - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lakes Region Mental Health Center, Inc. d/b/a Genesis Behavioral Health as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Analysis of Accounts Receivables, the Analysis of BBH Revenues, Receipts & Receivables and schedules of functional public support, revenues and expenses on pages 11-14 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTES TO FINANCIAL STATEMENTS
June 30, 2014

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Lakes Region Mental Health Center, Inc. (the Center) d/b/a Genesis Behavioral Health is a not-for-profit corporation, organized under New Hampshire law to provide services in the areas of mental health, and related non-mental health programs; it is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code. In addition, the Center qualifies for the charitable contribution deduction under Section 170 (b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

Consideration has been given to uncertain tax positions. The federal income tax returns (Form 990) for the year ended June 30, 2011, remain open for potential examination by major tax jurisdictions, generally for three years after they were filed.

Depreciation

The cost of property, equipment and leasehold improvements is depreciated over the estimated useful life of the assets using the straight line method. Estimated useful lives range from 3 to 40 years.

State Grants

The Center receives a number of grants from and has entered into various contracts with the State of New Hampshire related to the delivery of mental health services.

Vacation Pay and Fringe Benefits

Vacation pay is accrued and charged to the programs when earned by the employee. Fringe benefits are allocated to the appropriate program expense based on the percentage of actual time spent on the programs.

Revenue

Revenue from federal, state and other sources is recognized in the period earned.

Client Service Revenue

The Center recognizes client service revenue relating to services rendered to clients that have third-party payer coverage and are self pay. The Center receives reimbursement from Medicare, Medicaid and Insurance Companies at defined rates for services to clients covered by such third-party payer programs. The difference between the established billing rates and the actual rate of reimbursement is recorded as allowances when received. For services rendered to uninsured clients (i.e., self-pay clients), revenue is recognized on the basis of standard or negotiated discounted rates. At the time services are rendered to self-pay clients, a provision for bad debts is recorded based on experience and the effects of newly identified circumstances and trends in pay rates. Client service revenue (net of contractual allowances and discounts but before taking account of the provision for bad debts) recognized during the year ended June 30, 2014 totaled \$8,157,860, of which \$7,988,738 was revenue from third-party payers and \$169,122 was revenue from self-pay clients.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Third Party Contractual Arrangements

A significant portion of patient revenue is derived from services to patients insured by third-party payors. The center receives reimbursement from Medicare, Medicaid, Blue Cross, and other third-party insurers at defined rates for services rendered to patients covered by these programs. The difference between the established billing rates and the actual rate of reimbursement is recorded as allowances when recorded. A provision for estimated contractual allowances is provided on outstanding patient receivables at the balance sheet date.

Temporarily Restricted Funds

Specific purpose funds are used to differentiate resources, the use of which is restricted by donors, from resources of general funds on which the donors place no restriction or that arise as a result of the operations of the Center for its stated purposes. Specific purpose contributions and other donor-restricted resources are recorded as additions to temporarily restricted net assets at the time they are received and as released from restrictions when expended for the purpose for which they were given. The earnings from these funds will be used to fund operations. For the year ending June 30, 2014 \$12,802 was released from restrictions.

Accounts Receivable

Accounts receivable are recorded based on the amount billed for services provided, net of respective allowances.

Policy for Evaluating Collectability of Accounts Receivable

In evaluating the collectability of accounts receivable, the Center analyzes past results and identifies trends for each major payer source of revenue for the purpose of estimating the appropriate amounts of the allowance for doubtful accounts. Data in each major payer source is regularly reviewed to evaluate the adequacy of the allowance for doubtful accounts. Specifically, for receivables relating to services provided to clients having third-party coverage, an allowance for doubtful accounts and a corresponding provision for bad debts are established for amounts outstanding for an extended period of time and for third-party payers experiencing financial difficulties; for receivables relating to self-pay clients, a provision for bad debts is made in the period services are rendered based on experience indicating the inability or unwillingness of clients to pay amounts for which they are financially responsible.

Based on management's assessment, the Center provides for estimated uncollectible amounts through a charge to earnings and a credit to a valuation allowance. Balances that remain outstanding after the Center has used reasonable collection efforts are written off through a change to the valuation allowance and a credit to accounts receivable.

During 2014, the Center increased its estimated percentage in the allowance for doubtful accounts from 30% to 33%. The allowance for doubtful accounts increased to \$508,000 as of June 30, 2014 from \$372,000 as of June 30, 2013. This was a direct result of total trade accounts receivable increasing to \$1,548,048 as of June 30, 2014 from \$1,237,550 at June 30, 2013.

Advertising

Advertising costs are expensed as incurred. Total costs were \$121,486 at June 30, 2014 and consisted of advertising costs of \$31,558 and recruitment costs of \$89,928.

NOTE 11 FAIR VALUE MEASUREMENTS

Professional accounting standards require a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under these professional accounting standards are described below:

Basis of Fair Value Measurement

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Lakes Region Mental Health Center, Inc.
d/b/a Genesis Behavioral Health
NOTES TO FINANCIAL STATEMENTS
June 30, 2014

NOTE 11 FAIR VALUE MEASUREMENTS (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

All investments are categorized as Level 1 and recorded at fair value, as of June 30, 2014. As required by professional accounting standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 12 CONCENTRATIONS OF CREDIT RISK

The Center maintained cash balances at three financial institutions as of June 30, 2014. Accounts with these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2014, there were no cash balances at either of these institutions greater than the \$250,000 threshold and therefore all balances were fully insured by the FDIC.

The Center grants credit without collateral to its clients, most of who are area residents and are insured under third-party payor agreements. The mix of receivables due from clients and third-party payors at June 30, 2014 is as follows:

Due from clients	16 %
Insurance companies	11
Medicaid	57
Medicare	<u>15</u>
	<u>100 %</u>

NOTE 13 SUBSEQUENT EVENTS
