CONSENT ORDER
IN THE MATTER OF:

Ameriprise Financial Services, Inc. CRD # 6363

C-2013000009

I. For purposes of settling the above-captioned matter, and in lieu of further administrative proceedings, Ameriprise Financial Services, Inc. ("Ameriprise") has submitted an offer of settlement which the State of New Hampshire, Department of State, Bureau of Securities Regulation (the "Bureau") has determined to accept. Accordingly, without admitting or denying the facts or allegations contained herein, Ameriprise does hereby consent to the following undertakings and sanctions:

THE FACTS

1. Ameriprise is a national broker-dealer serving individuals and businesses across the United States. Ameriprise maintains its principal place of business at 707 2nd Avenue South, Minneapolis, Minnesota 55402 with, according to the Central Registration Depository ("CRD"), thirty-seven (37) branch offices within New Hampshire and approximately 3,500 branch offices across the country. As a broker-dealer, Ameriprise has been registered with the Securities and Exchange Commission ("SEC") since November 25, 1971 and has been registered with New Hampshire since February 2, 1983. Ameriprise is also a member of the Financial Industry Regulatory Authority ("FINRA") and thus subject to FINRA rules that apply to broker-dealers.

2. Since the inception of the Federal Trade Commission’s National Do Not Call Registry (the “National Do Not Call Registry”), according to the Federal Trade Commission’s (“FTC’s”) 2013 National Do Not Call Registry Data Book, approximately 1,177,000 New Hampshire telephone numbers have been placed on the registry. This ranks New Hampshire, with a population of just over 1.3 million, number one in active registrations per capita in the nation, as it translates to approximately 89 registrations for every 100 New Hampshire residents.
3. The relevant time period for the Bureau’s investigation was January 1, 2012 to the present.

Telemarketing Procedures

4. In terms of the prohibition on initiating outbound telephone calls to telephone numbers on the National Do Not Call Registry, applicable telemarketing rules generally provide three exceptions to this prohibition. Applicable telemarketing rules provide that a party initiating outbound telephone calls will not be liable for violating the prohibition against calling telephone numbers on the FTC’s National Do Not Call Registry if: 1) the party initiating the outbound telephone call has an established business relationship with the recipient of the call; 2) the party initiating the outbound telephone call has prior written consent from the recipient of the call; or 3) the party initiating the outbound telephone call has a personal relationship with the recipient of the call, meaning the recipient of the call is either a family member, friend, or acquaintance of the caller.

5. In light of the high percentage of New Hampshire registrations on the National Do Not Call Registry, Ameriprise agents licensed in New Hampshire often make outbound telephone calls to New Hampshire telephone numbers on the National Do Not Call Registry where exceptions to the rules may not apply. However, during its investigation, the Bureau determined that Ameriprise agents licensed in New Hampshire were provided with policies and procedures that were inaccurate and did not clearly outline applicable telemarketing restrictions or the exceptions to them, as outlined above.

Supervision of Ameriprise Agents Licensed in New Hampshire

6. According to policies and procedures in the area of telemarketing made available or distributed to Ameriprise agents licensed in New Hampshire, Ameriprise placed the onus of compliance with applicable telemarketing rules on those agents. Based on the documents and other information provided by Ameriprise during the course of the Bureau’s investigation, the Bureau determined, as outlined above, that Ameriprise failed to maintain accurate telemarketing policies and procedures and therefore did not maintain or enforce policies and procedures that adequately provided for review of the telemarketing activities of its agents licensed in New Hampshire.
