Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management requests authorization to enter into a grant agreement with the Town of Wolfeboro (VC#177500-B002) for the purchase and installation of an emergency generator for the Emergency Operations Center (EOC) at the Town Hall for a total amount of \$60,000.00. Effective upon Governor and Council approval through September 30, 2015. Funding source: 100% Federal Funds.

Funding is available in the SFY 2015 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety	Homeland Sec-Emer Mgmt	100% EMPG Local Match
072-500574	Grants to Local Gov't - Federal		
Activity Code: 23EMPG 2014			\$60,000.00

Explanation

The purpose of this project is to provide backup power to the EOC, which is located in the Town Hall. This project will support the continued operation of essential local government services to the public and will also support the continued operations of the EOC during power outages and emergencies, thus enabling the EOC to become the focal point for the coordination of emergency services by first responders. The project includes installing a 150KW diesel powered generator and associated automatic transfer switch. The grant listed above is funded from the FFY 2014 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Grantees submit applications to this office, which are reviewed by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives and approved by the HSEM Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the grantee. The grantee acknowledges their match obligation as part of Exhibit B to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

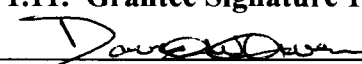

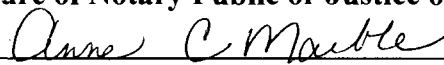

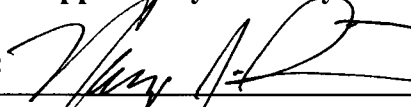

John J. Barthelmes
John J. Barthelmes
Commissioner of Safety

Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
 15. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
 17. INSURANCE AND BOND.
 - 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
 19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

D. EMPG Grant for emergency generator at the Wolfeboro Town Hall

Mr. Owen stated he received the documentation in the mail today from the State regarding the grant application for the emergency generator at the Town Hall. He stated normally he would wait until the Board's next meeting but because the cost of generators is supposed to go up he would like to get this paperwork filed and the process moving before then. He is requesting the Board to accept the grant terms as presented.

Chairman Murray stated she is excited about this and such is great news to have an emergency generator at the Town Hall to be used in emergency situations.

It was moved by Dave Senecal and seconded by Dave Bowers to approve accepting the EMPG grant agreement terms as presented for a grant not to exceed \$60,000 toward the cost of procuring and installing an emergency generator at the renovated Town Hall for which the local match requirement will be the amount of \$60,000 (to be taken from the \$1,347,060.24 cost to renovate the first floor of Town Hall) and to enter into a grant agreement with the NH Department of Safety, Homeland Security and Emergency Management for these purposes, and further to authorize the Town Manager to execute any documents which may be necessary for this grant contract. Members voted and being all in favor the motion passed.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³.
