REQUESTED ACTION

Dept Environmental Services, DWSRF Administrating, Grants Federal	

EXPLANATION

The Department of Environmental Services issued a request for proposals for 2014/2015 Asset Management and Financial Planning Grants. These grants are funded by set-asides under the Drinking Water State Revolving Loan Fund. They can be used to develop and implement asset management plans for public water systems. Ten proposals were received, then evaluated and ranked based on criteria included in the request for proposals, such as whether the project completes a condition assessment on all assets, that a financial plan is developed and addresses investment priorities, and that the plan is communicated to customers and decision-makers. Based on the available federal funding, the Department determined that it could offer grants to all applicants. See attachment A for the project rankings and list of reviewers.

The City of Manchester will use the grant funds to purchase software to assist in the development of an asset management plan for the City's drinking water system.

In the event that federal funds no longer become available, general funds will not be requested to support this program. This agreement has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval.

  
Thomas S. Burack, Commissioner

**Subject: City of Manchester**

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the grant amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

12. **TERMINATION.**

This covenant shall survive the termination of this Agreement.

17. **INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:
