REQUESTED ACTION

Authorize the Department of Health and Human Services, Glencliff Home, to enter into an agreement with Elizabeth Burow (Vendor #194667-B001), P.O. Box 33, Glencliff NH 03238, for the provision of Music and Memory Care Support Services for the residents at the Glencliff Home, in an amount not to exceed \$11,200 effective upon Governor and Executive Council approval through June 30, 2017. The source of funding is 100% General Funds.

EXPLANATION

The purpose of this agreement is for the provision of music and memory care services that enhance the quality of life for the residents of Glencliff Home and help to stabilize their behavioral outbursts. These services include engaging residents in music programs, providing residents with opportunities to express themselves through the avenue of music both instrumentally and vocally, monthly spiritual programs such as a hymn sing, and music program offerings for special events and celebrations.

This contract was competitively bid. A request for bid was advertised in the Penney Saver and the Journal Opinion for two consecutive weeks from April 1, 2015 through April 9, 2015, and on the Department of Purchase and Property web site. Elizabeth Burow was the only bidder and is the current provider of these services.

Should Governor and Executive Council determine not to approve this request there could be an increase in the mood swings and behavioral outbursts of the residents at the Glenclyff Home, which would increase the need for one on one care.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.
