REQUESTED ACTION

Authorize the State Treasury ("Treasury") to enter into a contract with Kelmar Associates, LLC, of Wakefield, MA, for a contingent fee of 10.50 % of the gross amount identified and remitted to the state from audits/examinations of the records of any holder or person to determine compliance with RSA Chapter 471-C, *Custody and Escheat of Unclaimed and Abandoned Property* from July 22, 2015 to June 30, 2017. **100% Agency Income (Abandoned Property)**

Funding is available in account titled, Abandoned Property, as follows (pending budget approval for Fiscal Years 2016, and 2017):

	<u>FY2016</u>	<u>FY2017</u>
01-38-38-380510-8021-020-500254 Audit Fees	\$1,040,000	\$1,100,000

EXPLANATION

RSA 471-C, New Hampshire's *Unclaimed and Abandoned Property Law*, provides that the Treasurer may contract with other entities to identify, recover, and remit unclaimed or abandoned assets (e.g. cash, securities) through audit or examination of records. Such examinations are conducted largely with out-of-state holders of such property. Treasury, upon report and remittance, endeavors to contact the rightful owner who may then claim the property. Amounts not claimed shall be escheated and deposited in the General Fund.

Treasury will contract with any reputable provider of audit/examination services that offers a competitive fee arrangement. The 10.50 % fee is consistent with the existing rate level throughout this industry.

Respectfully requested,

William F. Dwyer
State Treasurer

EXHIBIT A - SERVICES TO BE PERFORMED

A. Identification of Unclaimed Property.

1. Kelmar shall conduct an examination, identify, demand, collect, and deliver unclaimed property from holders and transfer agents that are subject to report and deliver said property under New Hampshire abandoned property law, as defined in RSA 471-C and Code of Administrative Rules.
2. The period in which Kelmar shall examine and identify unclaimed property shall consist of the current reporting cycle as of the date of commencement of examination, as well as any prior reporting cycles for which property remains unclaimed and unreported.
3. Kelmar shall, when examining for New Hampshire, adhere to New Hampshire's abandoned property law, as defined in RSA 471-C and Code of Administrative Rules. New Hampshire shall notify Kelmar of all changes in its statutes or administrative rules initiated by or made known to the Treasurer. Kelmar shall be responsible for performance in accordance with current laws and regulations whether state or federal.
4. It is understood by the parties that Kelmar shall not commence an examination on behalf of New Hampshire without first obtaining New Hampshire's written consent or direction.
5. The holding of the U. S. Supreme Court in Texas v. New Jersey, 85 S. Ct. 1136 (1965), Pennsylvania v. New York, 92 S. Ct. 2820, (1972), and Delaware v. New York, 113 S. Ct. 1550, (1993), and any applicable federal legislation regarding which state has the right to escheat property shall be followed.
 - a. Where the name and last known address of the apparent owner according to the books and records of the holder is in New Hampshire, it shall be deemed to be reportable to New Hampshire.
 - b. If the holder has never maintained records setting forth the name and last known address of the apparent owner, the property shall be deemed reportable to the state of incorporation of the holder. An address shall be deemed reportable to the state of incorporation of the holder. An address shall be deemed to mean a description of location sufficient for the delivery and receipt of mail. Where no addresses presently exist, but the holder at one time maintained addresses of the apparent owners, the property shall be deemed reportable to the state of incorporation of the holder. Where no address exists, but the records of the holder establish that the apparent owner resided in New Hampshire, Kelmar shall advise New Hampshire and the holder's state of incorporation, for the

purposes of determining which state possesses the priority claim to the funds.

- c. Where the address of the apparent owner cannot be readily ascertained, but in fact exists in the books and records of the holder, sampling techniques will be used to allocate the property among the states participating in the review. In such event, if required, sampling techniques will also be utilized to ascertain the proportion of the total reportable property for which the holder has names and last known addresses. Kelmar shall notify New Hampshire when sampling techniques under this paragraph are being used.
 - d. If the above rules do not provide for a case, or the state having the priority claim cannot be determined, Kelmar shall notify New Hampshire of such fact if the holder is incorporated in New Hampshire or if an address in New Hampshire may be established from the books or records of the holder.
 - e. In the event that the state of priority claim provides for an exemption, deduction, exclusion or otherwise does not choose to assert jurisdiction over the property, New Hampshire shall be the state for reporting this property where it is the state of incorporation, and further shall be a state of proportion for reporting such property as described above in subparagraph (c) where it is not the state of incorporation.
6. If for certain periods the amount of reportable property cannot be ascertained from the books and records of the holder, projection and estimation techniques may be used to determine the reportable amounts for such periods. If names and addresses exist with respect to the abandoned property used in the projection and estimation, the names and addresses shall not be used to determine which state has the priority claim to the abandoned property estimated to be due.
 7. All sampling and projection and estimation techniques used by Kelmar shall be a method approved by "THE TREASURER" or his/her designee prior to their use.

B. Demand for Delivery of Unclaimed Property.

1. After confirming that the holders and transfer agents have completed due diligence in accordance with RSA 471-C:19, Kelmar shall, within thirty (30) days of identifying the property, make a report of examination evidencing property payable to New Hampshire pursuant to New Hampshire's abandoned property law.
2. Upon approval of the report of examination by New Hampshire, Kelmar shall issue a demand for the unclaimed property to the holders or transfer agents directing the holders or transfer agents to deliver all cash, net safe deposit assets (after application of RSA 385), securities and related assets, and related owner information to Kelmar or Kelmar's

 4. Delivery of property to New Hampshire shall be accomplished at the sole expense of Kelmar.
 5. Kelmar shall adhere to all reporting requirements of New Hampshire's abandoned property law and administrative rules.

D. Enforcement.

1. If a holder refuses to subject itself to an examination by Kelmar, or is uncooperative in an ongoing examination by Kelmar, or refuses to remit funds or securities after demand, then Kelmar will notify New Hampshire within seven (7) days of such occurrence.
2. Kelmar cannot initiate legal action against or enter into an agreement with a holder on behalf of New Hampshire.
3. Kelmar may inform a holder of New Hampshire's law regarding penalties and interest.
4. Kelmar may not impose, or threaten to impose, penalties and/or interest.
5. If a holder of unclaimed property agrees to work with Kelmar in order to comply with New Hampshire's unclaimed property law (a voluntary disclosure), then Kelmar shall report said property under this agreement under the following conditions: (1) only if Kelmar obtains the consent of the holder; and (2) only if Kelmar thereafter provides evidence of its agreement with the holder to New Hampshire at the time of the disclosure.
