CONSENT ORDER

J.D. Nicholas & Associates, Inc.

I-2014000041

1. For the purposes of settling the above-referenced matter and in lieu of further administrative proceedings, J.D. Nicholas & Associates, Inc. (hereinafter referred to as “JDNA”), has submitted an offer of settlement, which the State of New Hampshire, Department of State, Bureau of Securities Regulation (hereinafter referred to as the “Bureau”) has determined to accept. Accordingly, JDNA does hereby consent to the following findings, conclusions, undertakings and sanctions:

The Facts

1. JDNA is a broker-dealer with a principal office located at 6901 Jericho Turnpike, Suite 217, Syosset, NY 11791. JDNA is licensed as a broker-dealer with the United States Securities and Exchange Commission (“SEC”), and has been licensed in the State of New Hampshire since March 8, 2007. JDNA’s CRD number is 44791 and SEC number is 8-50822.

2. On June 21, 2013 JDNA entered into a consent order (the “2013 consent order”) with the Bureau agreeing to cease and desist from violations of the New Hampshire Securities Act, RSA 421-B, and to not make any telemarketing calls into the State of New Hampshire for a one-year period commencing upon the execution of the order. In the 2013 consent order, JDNA also agreed to utilize a telephone system to block all numbers with an area code of 603, excepting for current clients of JDNA with whom JDNA had an established business relationship, according to FINRA Rule 3230.

3. JDNA submitted a written report to the Bureau outlining JDNA’s compliance with the 2013 consent order on or about June 26, 2014, as required by paragraph 7 of said consent order. In that report, JDNA averred that phone calls had been made by JDNA into the State of New Hampshire, which were prohibited by the 2013 consent order.

4. JDNA utilized Optimum Lightpath to block calls placed to New Hampshire numbers in accordance with the 2013 consent order. JDNA alleges that in or around November 2013,
JDNA discovered that there was a defect in the Optimum Lightpath telephone system, which allowed phone calls placed by JDNA agents to New Hampshire residents to be processed. The defect was fixed on or about November 25, 2013.

5. During the course of the Bureau’s investigation, the Bureau discovered that fourteen (14) phone calls had been placed to New Hampshire residents in violation of the 2013 consent order.

6. On July 14, 2015 JDNA filed to withdraw their license as a broker-dealer with the SEC, Financial Industry Regulatory Authority, and the all the states with which they were licensed as a broker-dealer, including New Hampshire. JDNA represents that it will no longer be acting as a broker-dealer, has wound down its operations, and intends to file articles of dissolution in the near future.

JDNA is subject to this provision.
