6.3. Any CDBG funds returned to Grantee pursuant to enforcement of any Mortgage Liens shall be returned to CDFA.

7. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS

7.1. Grantee and CDFA agree that a minimum of seventy seven percent (77%) of the persons served benefiting from this Project are those as defined herein.

7.2. Grantee shall require the Subrecipient to certify and warrant that, from the Project Completion Date to the end of the twenty (20) year benefit period, the beneficiaries of the project shall primarily be low- and moderate-income persons, as defined herein.

7.3. Grantee shall require Subrecipient to maintain adequate administrative mechanisms in place to assure compliance with the requirements of this Section. Grantee shall enforce the provision of this Section, which shall survive the termination or expiration of this Agreement.

8. CONSTRUCTION CONTRACTING, INSPECTION, AND CERTIFICATION

8.1. Prior to execution of the construction contract or contracts, Grantee shall submit the proposed contract(s) for the Improvements to CDFA for its review and approval to determine compliance with all applicable federal and state requirements. CDFA approval shall not abrogate its rights to enforce any part of this Agreement or constitute a waiver of any provision of this Agreement.

8.2. Grantee or Subrecipient shall require all contractors and subcontractors to comply with all applicable

requirements of federal, state, and local laws and regulations.

8.3. Grantee or Subrecipient shall furnish and maintain competent technical supervision of the Project site throughout the construction of the Improvements to assure that the work conforms to the Plans, specifications, and schedules approved by CDFA for the Project.

8.4. Grantee shall provide CDFA reasonable notice of all preconstruction conferences to be scheduled in connection with the Grant Activities and afford CDFA the option of participating in such conferences.

8.5. Bid Guarantees: Units of local government shall follow their own normal requirements relating to bid guarantees or bonds or performance bonds.

8.6. Bonds Required: Grantee covenants that each of its officials or employees having custody of the Grant funds during acquisition, construction, development, and operation of Grant Activities shall be bonded at all times in accordance with RSA 41:6 and rules adopted thereunder by the Department of Revenue Administration.

8.7. Subcontracts, Bonds Required: When Grantee or any Subrecipient awards a contract or subcontract exceeding the Simplified Acquisition Threshold (Currently \$150,000) for the construction, alteration or repair of any public building or other public improvement or public work, including highways, the Grantee shall, or where applicable Subrecipient shall, as a minimum, require each contractor and subcontractor to carry payment and performance bonds for 100% of the value of the contract.

8.8. Upon completion in full of the Improvements, Grantee shall promptly deliver to CDFA: (a) a written certificate of Grantee or Subrecipient's inspector, who shall be a licensed professional engineer, that the construction of the Project has been fully completed in a good and workmanlike manner and in accordance with the Plans, and (b) a copy of the permanent certificate of occupancy or other such applicable certificates, licenses, consents and approvals issued by governmental authorities with respect to the Project.

8.9. All work under this Project shall be completed prior to Completion Date, as specified in Section 1.7 of the General Provisions.

## 9. PUBLIC FACILITY AND HOUSING REHABILITATION STANDARDS

9.1. The following standards shall apply to all public facilities and housing rehabilitated with Grant funds, as applicable to project type:

9.1.1. HUD Section 8 Existing Housing Quality Standards as listed in 24 CFR 982.401, paragraphs (a) through (n), or municipal housing and/or building, electrical and plumbing codes where such codes exceed the HUD standards;

9.1.2. Where applicable, the state building code as defined in RSA 155-A; and

9.1.3. Where applicable, the state's architectural barrier-free design code.

## 10. GRANTEE FINANCIAL MANAGEMENT SYSTEM

10.1. Except where inconsistent with federal requirements, state procedures and practices will apply to funds disbursed by CDFA, and local procedures and practices will apply to funds disbursed by units of local government.

10.2. Cash Advances: Cash advances to Grantee shall be approved only to the extent necessary to satisfy the actual, immediate cash requirements of Grantee in carrying out the purpose of the approved program or project.

The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by Grantee for direct program costs and the proportionate share of any allowable indirect costs. Cash advances made by Grantee to Subrecipients shall conform to the same standards of timing and amount as apply to advances to Grantee including the furnishing of reports of cash disbursements and balances.

10.3. Fiscal Control: Grantee must establish fiscal control and fund accounting procedures which assure proper disbursement of, and accounting for, grant funds and any required non-federal expenditures. This responsibility applies to funds disbursed by Subrecipients and contractors as well as to funds disbursed in direct operations of Grantee. Grantee shall be required to maintain a financial management system which complies with 24 CFR 85.20 or such equivalent system as CDFA may require. Requests for payment shall be made according to CDFA's CDBG Implementation Guide.

11. PROCUREMENT

11.1. Grantee and any Subrecipient procurement procedures shall be in accordance with state and local procurement practices and regulations, provided that procurements made with Grant Funds adhere, at a minimum, to the standards set forth in 2 CFR Part 200.318-326. Grantee shall not use debarred, suspended or ineligible contractors or Subrecipient's as provided in 24 CFR 570.489 (I).

12. REPORTS AND CLOSE OUT

12.1. Semi-Annual progress reports which identify the status of Grant Activities performed, the outlook for completion of the remaining Grant Activities prior to the Completion Date and the changes, if any which need to be made in the Project or Grant Activities, shall be submitted by the 15th of the month in January and July via CDFA's Grants Management System (GMS).

12.2. Financial reports, including a statement detailing all Grant or Project Costs (as hereinafter defined) which have been incurred since the prior request for reimbursement, shall be submitted with each request for reimbursement and with the Closeout Report. Financial Reports shall be submitted via CDFA's Grants Management System (GMS).

12.3. Within thirty (30) days after the Completion Date, a Closeout Report shall be submitted which summarizes the results of the Grant Activities, showing in particular how the Grant Activities have been performed. The Closeout Report shall be in the form required or specified by CDFA.

12.4. The Audited Financial Reports shall be prepared in accordance with the regulations (24 CFR Part 44) which implement OMB 2 CFR Part 200. The audited financial report shall be submitted within thirty (30) days of the completion of said report to CDFA.

12.5. Where the Grantee is not subject to the requirements of OMB 2 CFR Part 200, one of the following options will be chosen by CDFA:

12.5.1. Within ninety (90) days after the Completion or Termination Date, an audited financial report shall be submitted to CDFA. Said audit shall be conducted utilizing the guidelines set forth in "Standards for Audit of Governmental Organizations, Programs, Activities, and Functions" by the Comptroller General of the United States.

12.5.2. CDFA will conduct a financial Review-in-Lieu of Audit within ninety (90) days after the Completion Date of the Project.

12.6. Where the length of the grant period exceeds twenty-four (24) months, there shall be an interim audit performed and submitted.

13. RECORDS AND ACCOUNTS: ACCESS

13.1. During the performance of the Project Activities and for a period of three (3) years after the Completion Date or the date of the final audit approval by CDFA, whichever is later, the Grantee shall keep, and shall require any Subrecipient to keep, the following records and accounts:

13.1.1. Records of Direct Work: Detailed records of all direct work performed by its personnel under this Agreement.

13.1.2. Fiscal Records: Books, records, documents and other statistical data evidencing, and permitting a determination to be made by CDFA of all Project Costs and other expenses incurred by the Grantee and all income received or collected by the Grantee, during the performance of the Project Activities. The said records shall be maintained in accordance with accounting procedures and practices acceptable to CDFA, and which sufficiently and properly reflect all such costs and expenses, and shall include, without limitation, all ledgers, books, audits, records and original evidence of costs such as purchase requisitions and orders, invoices, vouchers, bills, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls and other records requested or required by CDFA.

13.1.3. Contractor and Subcontractor Records: The Grantee shall, and where applicable, Subrecipient shall, establish, maintain and preserve, and require each of its contractors and subcontractors to establish, maintain and preserve property management, project performance, financial management and reporting documents and systems, and such other books, records, and other data pertinent to the project as the CDFA may require. Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later.

14. TERMINATION; REMEDIES

14.1. Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

14.2. Termination Without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.

14.3. Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds

paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.

14.4. **Limitation on Grantee Liability for Subgranted Funds.** Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

14.5. **Assignment to CDFA and Payment of Expenses and Costs.** Grantee hereby agrees that, in the event it fails to enforce the provisions of any subrecipient agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

14.6. Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

## 15. ADDITIONAL GRANT REQUIREMENTS

15.1. Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees engaged in the procurement of supplies, equipment, construction and services consistent with the requirements of 24 CFR 85.36(b)(3). The Code of Ethics shall be prepared in the form shown in the CDBG Implementation Guide, and shall be formally adopted prior to requesting Grant funds. The Grantee shall also comply with the conflict of interest policy consistent with the requirements of 24 CFR 570.489(h) and approved by CDFA.

15.2. Grantee shall prepare and adopt a financial management plan, that complies with 24 C.F.R. 85.20 and is approved by CDFA, which describes Grantee's system for receiving and expending the grant funds including the internal controls, which shall ensure compliance as outlined within this Grant Agreement. The plan shall be formally adopted prior to requesting Grant funds.

15.3. Grantee shall submit to CDFA all required documentation of low- and moderate-income benefit in accordance with the reporting requirements of the Subrecipient Agreement. The information shall be provided on the Periodic Progress Report, as found in the Community Development Block Grant Program (CDBG) Implementation Guide.

15.4. In the event Grantee fails to enforce the provisions of the Subrecipient Agreement or fails to cure an Event

of a Default under the Subrecipient Agreement, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient Agreement or the Mortgage to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Mortgage. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage obligations or in curing any Event of Default thereunder.

15.5. CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.6. Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.

15.7. Lobbying. Grantee certifies that:

15.7.1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

15.7.2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

15.7.3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipient's shall certify and disclose accordingly.

15.8. Certification of Nonsegregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. Prior to the award of any construction contract or subcontract exceeding \$10,000, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

15.8.1. By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.

15.8.2. He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a

violation of the Equal Opportunity clause in this Agreement. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR  
CERTIFICATIONS OF NONSEGREGATED FACILITIES

NOTE: The penalty for making false statements in offers is prescribed in 18 USC  
1001.

16. PUBLICITY AND SIGNAGE

16.1. Public Relations. The Grantee shall grant CDFA the right to use the Grantee's name, likeness, and logo in any public relations or publicity efforts. This shall include, but not be limited to, press releases, media interviews, website, publications, brochures, etc. CDFA's publicity efforts may also include details about Grantee's project, contract, or other publically available information.

This recognition shall include, but not be limited to, print/electronic media, publications, interviews, brochures, website, etc.

16.3. Project Signage. For construction/renovation projects – CDFA logo must be included in signage at the job worksite. CDFA logo may not be any smaller than 50% of the size of the largest logo displayed. This requirement can be waived if no other partner/entity requires worksite signage and creating signage solely for CDFA poses a hardship. Alternative – If none of these are applicable/feasible, an alternative display of the CDFA logo or public recognition agreeable to CDFA.

## EXHIBIT B

### PROJECT COSTS; METHOD AND TERMS OF PAYMENT

#### 1. PROJECT COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA

- 1.1. Project Costs: As used in this Agreement, the term "Project Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of Project construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a nonprofit subrecipient, such subrecipient shall meet the requirements of 2 CFR Part 200.
- 1.2. Delivery Costs: If applicable to this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.
- 1.3. Payment of Project Costs: Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in State Administrative Rule Cdfa 311.01(c)(4).
- 1.4. Review by CDFA; Disallowance of Costs: At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

#### 2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT COSTS

- 2.1. When Project Funds May Be Released. CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit A and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable are reviewed and approved in writing by CDFA. Agreements and documents may include:
  - 2.1.1. A Subrecipient Agreement, as applicable;
  - 2.1.2. Documentation of other committed match funds or additional financing necessary as defined in Attachment I, "Sources and Uses", no earlier than date of Governor and Council approval;

2.1.3. A copy of any required deed, survey, map, or other document pertaining to the Project Property or Premises;

2.1.4. Copies of required certificates of insurance from all parties to this agreement;

2.1.5. Engineering, construction, consultant, or other contracts;

2.1.6. Certification/verification of employment documentation or household income documentation;

2.1.7. Any lease and loan documents, mortgages, liens, security instruments, municipal bonds, and similar agreements used in connection with the enforcement of beneficiary requirements, as well as any other related documents as requested by CDFA.

2.2. Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project Costs incurred, CDFA agrees to reimburse Grantee for Project Costs, except that reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

2.3. Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project Cost until all Project Costs have been audited and determined to be allowable costs.

### 3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS

3.1. Reimbursement requests for all Project Costs, including Administrative Project Costs, Delivery Costs, and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. Documentation may include invoices for supplies, equipment, services, contractual services, and, where applicable, a report of salaries paid or to be paid.

4.2. Grant funds are to be used only in accordance with procedures, requirements and principles specified in 24 CFR 85.

4.3. Grant funds may not, without advance written approval by CDFA, be obligated prior to the Effective Date or subsequent to the Completion Date of the grant period. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion Date. The funding assistance authorized hereunder shall not be obligated or utilized for any activities requiring a release of funds under the Environmental Review Procedure for the Community Development Block Grant Program at 24 CFR Part 58, until such release is issued in writing by CDFA.

4.4. Changes In Funding Project Activities: Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit A herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Director of CDFA may approve the requested transfer.

4.5. Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant

agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II(b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6. Up to \$280,000 of Grant Funds may be applied by Grantee for costs related to the Project Activity.

4.7. Up to \$20,000 of Grant Funds may be applied by Grantee for costs related to the Administration of the grant.

5. PERFORMANCE OF SERVICES BY GRANTEE PRIOR TO EFFECTIVE DATE; PAYMENT BY CDFA. Any Grant Activities performed by Grantee with non-CDBG funds prior to the Effective Date shall be performed at the sole risk of Grantee, and in the event that this Agreement shall not become effective, CDFA shall be under no obligation to pay Grantee for any costs incurred in connection with any Grant Activities, or to otherwise pay for any Activities performed during such period.

6. PROGRAM INCOME

6.1. Program Income: All program income earned during the term of this Agreement shall be retained by Grantee or, in projects involving the administration of a revolving loan fund by the Subrecipient.

6.2. When Used For Project Activities: When program income becomes available, Grantee and, where applicable, Subrecipient shall use it for Grant Activities contained in the Project Description before drawing down additional funds unless the program income is deposited in a revolving loan account with prior approval by CDFA.

6.3. When Used For Eligible Activities: After completion of the Grant Activities specified in this Agreement, Grantee and, where applicable, Subrecipient shall use program income only for eligible activities which benefit primarily people from low- and moderate-income families, with prior approval by CDFA as specified in the Closeout Agreement between CDFA and Grantee and, where applicable, Subrecipient.

## ATTACHMENT II

### SUBRECIPIENT AGREEMENT MINIMUM TERMS AND CONDITIONS

County of Merrimack (“Grantee”) hereby warrants and agrees that the Subrecipient Agreement with Second Start (“Subrecipient”) to be executed in conformance with the requirements of Exhibit A of the Grant Agreement shall be subject to approval by CDFA. The Subrecipient Agreement shall incorporate the entire Grant Agreement and shall include it as an attachment, and shall contain at a minimum the following terms and conditions:

1. REPRESENTATIONS AND WARRANTIES. Subrecipient shall represent and warrant:

1.1 Subrecipient is a duly organized and validly existing New Hampshire nonprofit corporation in good standing under the laws of this State. Subrecipient has the power and authority to undertake the grant activities as provided in the Grant Agreement. Subrecipient has the power and authority to own its properties, to conduct business as it is now being conducted, has the power to execute and deliver and perform its obligation under the Subrecipient Agreement and all other documents as applicable to this grant agreement.

1.2 The Subrecipient Agreement is the legal, valid and binding obligation of Subrecipient enforceable against Subrecipient, in accordance with each document’s respective terms.

1.3 Subrecipient has complied in all material respects with all applicable federal, state and local laws, statutes, rules and regulations pertaining to the grant activities.

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents in connection with the grant application knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

2.1 Project Description.

This project shall consist of the awarding of \$300,000 in Community Development Block Grant (CDBG) funds to the Grantee”) to support building improvements at its main building known as the Garrison facility situated at 17 Knight Street, Concord, New Hampshire (the “Project”). The Project will be used to replace roofs, make mortar repairs, complete interior painting and add insulation to the building that serves 472 people annually of which 77% are of low- and moderate-income.

2.2 Benefit to Low- and Moderate- Income Persons.

The general purpose of the project is to principally benefit Low- and Moderate-Income Persons as that term is defined in the Grant Agreement: “those Persons whose income falls at or below the “low income” level as referenced in Appendix 2 of Chapter 300 Cdfa CDBG Rules, and as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD’s “low- and moderate-income levels” for its various programs and is updated on an annual basis. The most current HUD Income Limits may be found at CDFA’s website at [www.nhcdfa.org](http://www.nhcdfa.org)

2.3 Grant of Funds/Matching Funds.

Subrecipient shall use the Grant funds subgranted to it solely for the purposes described herein and consistent with the required terms and conditions of the Grant Agreement and Subrecipient Agreement.

2.3.1 Subrecipient shall be subgranted a total of \$280,000 of the CDBG funds, in order to carry out the Project Activity.

2.3.2 The Grantee shall retain \$20,000 of the grant for administrative costs associated with management of the Grant.

2.3.3 The required match for the CDBG funds will be not less than \$34,050, for the costs associated with the Project Activities.

3. SUBRECIPIENT REQUIREMENTS.

3.1 Compliance with Laws. Subrecipient shall comply with all applicable federal, state and local laws, statutes, executive orders and rules as they relate to the application, acceptance and use of funds for this Project, including, but not limited to, the requirements as specified in the Grant Agreement.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Agreement and provided there shall exist no Event of Default under this Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Disbursement of grant funds shall be in accordance with the terms of the Grant Agreement, including Exhibit B.

Disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

3.3 Security. Prior to approval by CDFA of any construction contract for the Property, Subrecipient shall provide Grantee a mortgage lien in the amount of \$280,000 (the "Mortgage") on the Property, or other acceptable security to CDFA, as set forth in Exhibit A. Grantee shall submit to CDFA satisfactory evidence of such recording.

The mortgage lien shall provide for the recovery by Grantee, on behalf of CDFA, of the total CDBG funds expended on this Project in the event that the low- and moderate-income benefit as defined herein is not maintained for the required twenty-year period commencing upon the completion of the Project. The amount of CDBG funds subject to recovery in accordance with this paragraph shall decrease over the twenty-year period at a rate negotiated between Grantee and Subrecipient and approved by CDFA.

4. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS.

4.1 Subrecipient shall covenant and warrant that seventy seven percent (77%) of the Persons served at the Project Property at the completion of the Project shall be Low- and Moderate-Income Persons as that term is defined in Administrative Rule Cdfa 302.33.

4.2 At time of Grantee's submission of the Closeout Report to CDFA as provided in Exhibit A of the Grant Agreement, Subrecipient shall certify the number and percentage of Persons served at the Project Property that are Low- and Moderate-Income Persons and benefiting as a result of this Project. Subrecipient shall, for closeout purposes only, gather information on those groups deemed as "Protected" by HUD and required for reporting on the "Periodic Progress Report" as provided in the most current edition of the "CDBG Implementation Guide."

4.3 Subrecipient shall further covenant and warrant that the Property shall remain in use as a community facility and shall be made available to Low- and Moderate-Income Persons for a period of twenty (20) years following completion of the Project (the "Benefit Period") and that Subrecipient has and will continue in its Bylaws or other administrative provisions an adequate administrative capacity to ensure that this benefit is maintained for said period. This covenant shall survive the expiration or termination of this Agreement.

4.4 In the event that Subrecipient grants, conveys, leases or otherwise transfers its interests in the Property, Subrecipient shall include a clause in such deed, lease or similar transfer instrument whereby the other party, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration therefore, covenants and agrees, as a covenant running with the land, that the property shall continue to be used a community facility and shall continue to be made available to Low- and Moderate-Income persons for the remainder of the Benefit Period.

4.5 Subrecipient shall not sell, lease, encumber, otherwise transfer, or dispose of any part of its title or other interests in the Property, for the duration of the terms, conditions, and assurances in this Agreement, without the approval of Grantee.

## 5. SCHEDULE.

5.1 Implementation Schedule. The Grantee and Subrecipient have agreed to an Implementation Schedule, which will provide for the completion of all grant activities, prior to the Grant Completion Date. A schedule of major milestones shall be provided within the Subrecipient Agreement, and shall serve as a basis for enforcement of the Agreement.

At a minimum, this shall include insurance against all claims of bodily injury or property damage, in amounts of not less than \$250,000 per claim and \$2,000,000 per incident.

6.2 If applicable, Subrecipient shall also, at its sole expense, obtain and maintain in force fire and extended coverage insurance covering all real property or assets purchased with Grant funds in an amount not less than 100% of the whole replacement value of the property.

the State of New Hampshire. All policies shall be on an “occurrence” basis. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than thirty (30) days after written notice thereof has been received by the Grantee and CDFA.

6.4 All policies shall name the Grantee and CDFA as additional insureds. Subrecipient shall provide the Grantee with certificates of insurance satisfactory to the Grantee, which evidences compliance with this Section.

6.5 Taxes. If applicable, Subrecipient shall pay all taxes, assessments, charges, fines and impositions attributable to the Property, which is the responsibility of the Subrecipient. Any alternative arrangements will require the approval of CDFA, whose consideration shall not be unreasonably withheld.

**Merrimack County -Second Start Building Improvements - \$300,000 – (Public Facility)**

Merrimack County is requesting \$300,000 in CDBG funds on behalf of Second Start to replace the roof and make masonry repairs on their main building.

Second Start, located in Concord, is committed to improving the economic and educational well-being of New Hampshire residents. Their mission is to help people become more productive workers, family members and community citizens. Educational programs for adults include: Adult Basic Education, Adult Learner Services tutorial program, English for Speakers of Other Languages (ESOL), College Bridge for Adults, and HiSET Preparation and Testing. Youth programs begin with First Start Children’s Center providing quality child care and a Summer Camp Program for school age children. The adolescent programming includes the Alternative High School, the Transitional Employment Training and the Student Assistance Program (a drug and alcohol prevention program). Second Start programs, at the Garrison building, serve 472 people annually of which 77 %, or 365, are low- and moderate-income.

The Garrison facility at 17 Knight Street houses all of the Second Start programs other than the Alternative High School, which is housed one quarter mile away at 450 North State Street. The Garrison facility is a masonry building with a wood frame built in 1905. It was originally built as an elementary school and was used by the Concord School District from 1905 until 1986. A one story addition was added to the rear of the building in 1967. The addition is cinderblock/masonry construction on a concrete slab with a metal roof frame. Both the original building and the 1967 addition have rubber membrane roofs with R30 insulation at the roof line. Both roofs were installed with CDBG funds in 1988 and have now reached the end of their lives. The obsolete roofs have required leak repairs on a yearly basis for the last 4 years.

CDBG funds would be used to replace the roofs, make mortar repairs to the exterior façade, complete some exterior painting and add some insulation. The total cost of the project is estimated to be \$334,050. Matching funds in the amount of \$34,050 have been committed by Second Start to pay for a portion of the construction and the engineering costs.

**Sources and Uses**

<b>Committed Total</b>		<b>\$34,050</b>	<b>\$34,050</b>
<b>Pending Total</b>	<b>\$300,000</b>		<b>\$300,000</b>
<b>Grand Total</b>	<b>\$300,000</b>	<b>\$34,050</b>	<b>\$334,050</b>
