Her Excellency, Governor Margaret Wood Hassan
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 21-I:80, (b), authorize the Department of Resources and Economic Development, Division of Parks and Recreation, Cannon Mountain to enter into a **SOLE SOURCE** contract with Glen Builders, Inc. (VC #205409), North Conway, NH in the amount of \$49,385 for the labor and materials required for the Echo Lake Shoreline Protection Project at Cannon Mountain and Franconia Notch State Park upon Governor and Executive Council approval through September 14, 2015. 100% Capital Funds

Funding is available as follows:

	<u>FY 2016</u>
03-35-35-350030-17860000	
09-145:1-X-C Mittersill	
034-500162 Capital Projects	\$49,385

EXPLANATION

Echo Lake Shoreline has been an area of concern for New Hampshire's Department of Environmental Services (DES) and Fish and Game Department (F&G) for nearly twenty years. With the Mittersill expansion project currently underway and the need to both raise Echo Lake's water levels and satisfy DES and F&G permitting requirements, working with the Franconia Ski Club (FSC) contractor will allow the Department to complete construction of the secondary dam recommended by these agencies and correct the conditions of the shoreline resulting from problems with the exiting dam. Glen Builders, Inc. is the contractor currently working with FSC on their estimated \$400,000 dam project as part of the \$4 million improvement at Mittersill. With the machinery and personnel currently on site, the Department is able to reduce its costs and complete the project this year. Additionally, the small footprint of the construction site is unable to accommodate two contractors at the same time. The secondary dam will supplement the water levels needed to provide for snowmaking, allow for better lake level and volume management, comply with permit requirements and maintain the DES recommended water levels necessary to better support the local ecosystem and downstream fishery. For these reasons, sole source approval of this contract with Glen Builders, Inc. is respectfully requested.

The Attorney General's Office has reviewed and approved this contact as to form, substance and execution.

Respectfully submitted,

Concurred,

Philip A. Bryce
Director

Jeffrey J. Rose
Commissioner
