EXPLANATION

College for America at Southern New Hampshire University has partnered with the State of New Hampshire to provide state employees with low-cost, competency-based associate and bachelor degree programs. The employee is required to complete competency based projects each semester that are tied to specific goals (attached) to earn either an Associate's Degree in General Studies or a Bachelor's Degree in Communications.

This employee was hired by the Department as an Insurance Company Examiner I (Insurance Fraud Investigator) on September 21, 2007 and then promoted to a Senior Fraud Investigator on September 9, 2008. The employee will be pursuing an Associate's Degree in General Studies. Further development of the employee's communication skills and knowledge of management practices will build upon the employee's competency with respect to interfacing with insurance carriers, producers/brokers, consumers, and law enforcement agencies. Successful completion of the program will add to the overall strength of the Department to perform its mission to the residents of New Hampshire.

The employee will be completing projects on his own personal time. A fully executed tuition agreement is attached.
