EXPLANATION

The New Hampshire Department of Education receives an annual grant of \$305,350 from the United States Department of Health and Human Services, Administration on Community Living, Independent Living Administration. The grant under Title VII, Part B of the Rehabilitation Act of 1973, as amended, enables the state to continue to provide independent living services to individuals with significant disabilities so that they can become more independent in their homes and communities. The Department provides services through contracts with nonprofit organizations which are directed and managed primarily by persons with significant disabilities. The services provided under this contract are available statewide.

The Brain Injury Association of New Hampshire has a governing board that is controlled by persons with disabilities and provides the information and referral, skills training, peer support, resource website for returning veterans with acquired brain injury and/or post-traumatic stress disorder, and counseling to individuals with acquired brain injury and their families. The purpose

of the Brain Injury Association of New Hampshire is to promote life with independence for people who have acquired brain injury who reside in the state, which makes this organization uniquely suited to provide family neuro-resource facilitation (service coordination), outreach, and technical assistance through its Technology Library.

A request for proposal was posted to the Manchester Union Leader (June 8-10, 2015), the Department of Education's website, the Statewide Independent Living Council's website, and released to community based organizations that are potential or former vendors. Three proposals were received, Granite State Independent Living, Northeast Deaf and Hard of Hearing Services, Inc., and the Brain Injury Association of New Hampshire. A committee comprised of employees from the Department of Education and a former Administrator of the Adult Workforce Investment Program at the Work Opportunity Council, Department of Resources and Economic Development reviewed the proposals submitted utilizing an evaluation tool that was developed based on the request for proposal requirements (Attachment A). The committee recommended funding Northeast Deaf and Hard of Hearing Services, Inc. which will provide service coordination, sight service coordination for individuals who are deaf-blind, Computer Assisted Real Time Captioning (CART) services, and interpreter services to the deaf, hard of hearing, and deaf-blind population in the amount of \$59,778.00; Granite State Independent Living which will provide service coordination, access services, transportation, and travel training for persons with disabilities in the amount of \$183,983.00; and, the Brain Injury Association of New Hampshire (BIANH) which will provide family neuro-resource facilitation, an armed forces and post-traumatic stress disorder online resource center, information and referral services for persons with acquired brain injury, and a program which provides family to family support in the amount of \$68,009.00. The Three grantees for Title VII, Part B resources will be awarded monies, pending Governor and Council approval.

The rationale for the decision to fund three proposals is based on Title VII, Part B, Section 713, of the Rehabilitation Act of 1973, as amended. Section 713 articulates the authorized uses for Part B resources. This section states that Part B monies may be used to "support activities to increase the capacities of public, nonprofit agencies and organizations, and other entities to develop comprehensive approaches or systems for providing independent living services."

Each response to the Request for Proposals for Title VII, Part B monies addressed service provision to different populations of individuals with disabilities that continued to be underserved.

The Title VII, Part B FY16 RFP review occurred on Wednesday, July 1, 2015.

The RFP review panel consisted of employees from the Department of Education and a former Administrator of the Adult Workforce Investment Program at the Work Opportunity Council, Department of Resources and Economic Development:

Ms. Hatz brings 14 years of experience in developing and monitoring new contracts and initiatives related to Vocational Rehabilitation field services. - e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity; all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy Rule, as amended from time to time. A reference in the Agreement, as amended to include this Exhibit D, to a Section in the Privacy Rule means the Section as in effect or as amended.

- e. Segregation. If any term or condition of the Exhibit D or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of the Exhibit D are declared severable.
- f. Survival. Provisions in this Exhibit D regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k., the defense and indemnification provisions of section 3 d. and standard contract provision #13, shall survive the termination of the Agreement.

The Board of Directors may from time to time delegate particular responsibilities to specified officers or Committees of the Association as it shall deem advisable. They may adopt such rules and regulations for the conduct of their meeting and the management of the Association not inconsistent with these By-laws, the Association's Articles of Agreement, or the laws of the State of New Hampshire, as they may deem proper.

Section 2. Number and Qualifications. The number of Directors of the Association shall be not less than twelve (12), nor more than thirty-five (35), each of whom shall be of lawful age, and a member in good standing of the Association. The number of Directors may be increased or diminished by action of a majority of the Board of Directors at any regular or special meeting, except that no such action shall be effective to remove any Director then in office.

Section 3. Voting. Each Director shall have the full right to vote and participate in the management and affairs of the Association.

Section 4. Term of Office. Each Director shall continue in office for a term of three (3) years and until his or her successor shall have been appointed and shall have been qualified, or until his or her death, resignation or removal in the manner hereinafter provided. Terms of office shall be staggered so that approximately one-third (1/3) of the elected Directors shall complete a term of office within the same year.

Directors shall be elected at each annual meeting of the Association, or if such annual meeting is not held or Directors are not there elected, then Directors may be elected at a special meeting of members held for that purpose as soon thereafter as may be convenient. Each Director shall hold office for a term of three (3) years, until his or her resignation, removal from office, or death, or until his or her successor be duly elected and qualified.

a. Nominating Committee. At the regular March Board meeting, the President shall appoint, subject to approval by the Board of Directors, a Nominating Committee of at least three but not more than five members of the Association. The President shall designate the chairman of the committee.

Prior to the April Executive Committee meeting, the Nominating Committee shall present to the President a slate of candidates equal to the number of vacancies to serve three-year terms to replace the directors whose regular terms are expiring. No Board member who has served two consecutive three-year terms is eligible for election for a third term.

b. Publicity of Nominations. Upon receipt of the report of the Nominating Committee, the Executive Director shall immediately notify the membership by mail of the names of persons nominated as candidates for director and the right of petition.

c. Nominations by Petition. Additional names of candidates for directors can be nominated by petition bearing the original signatures of at least thirty-five per cent (35%) of the qualified members of the Association. Such petition shall be filed with Nominating Committee within ten (10) days after notice has been given of the names of those nominated. The determination of the Nominating Committee as to the legality of the petitions(s) shall be final.

d. Determination. If no petition is filed within the designated period, the nominations shall be closed and the nominated slate of candidates shall be declared elected by the Board of Directors at the Annual Meeting in June.

If a legal petition shall present additional candidates, the names of all candidates shall be arranged on a ballot in alphabetical order. Instructions will be to vote for (number of vacancies) candidates only. The Executive Director shall mail this ballot to all active members at least 15 days before the Annual meeting.

The ballots shall be marked in accordance with instructions printed on the ballot and returned to the Association office within ten (10) days. The Board of Directors shall at its Annual Meeting declare the number of candidates equal to the number of vacancies with the greatest number of votes elected.

Section 6. Successive Terms. Upon completion of two (2) successive three (3) year terms, a Director may again be nominated to serve as a Director, provided that such nomination is not to a term successive with such terms, unless such Director is also elected by the Board of Directors to serve as an officer of the Association as provided in Article VII hereof.

Section 7. Quorum and Manner of Acting. A majority of the total number of Directors entitled to vote and then holding office shall constitute a quorum for the transaction of business at any meeting except where otherwise provided by statute, the Association's Articles of Agreement or these By-laws. Less than a quorum may adjourn the meeting. At all meetings of the Board of Directors, each Director present shall have one vote. At all meetings of the Board of Directors, all questions, the manner of deciding which is not specifically regulated by statute or the Association's Articles of Agreement, shall be determined by a majority of the Directors present at the meeting.

Section 8. Place of Meeting, Etc. The Board of Directors may hold its meetings and have one or more offices at such places within or without the State of New Hampshire as the Board from time to time may determine or, in the case of meetings, as shall be specified or fixed in the respective notices or waivers of notice thereof.

Section 9. Books and Records. The correct and complete books and records of account and minutes of the proceedings of Members and the Board of Directors shall be kept by the Secretary of the Association.

Section 10. First Meeting. The Board of Directors shall meet for the purpose of organization, the election of officers and the transaction of other business as soon as practicable after each annual election of Directors on the same day and at the same place at which regular meetings of the Board are held or as may be otherwise provided by resolution of the Board. Notice of such meeting need not be given. Such meeting may be held at any other time or place, which shall be specified in a notice given as hereinafter, provided for special meetings of the Board of Directors or in a consent and waiver of notice thereof signed by all the Directors.

Section 11. Regular Meetings. Regular meetings of the Board of Directors shall be held at such places and at such times as the Board shall from time to time by resolution determine. Notice of regular meetings need not be given.

Section 12. Special Meetings; Notice. Special meetings of the Board of Directors shall be held whenever called by the President or by the Secretary at the request of any four (4) Directors at the time being in office. Notice of each such meeting shall be mailed to each Director, addressed to such Director at his or her residence or usual place of business, at least five (5) days before the day on which the meeting is to be held, or shall be sent to him or her at such place by telegraph, cable, facsimile, radio or wireless, or be given personally or by telephone, not later than the day before the day on which the meeting is to be held. Every such notice shall state the time and place of the meeting, and shall state the agenda of items to be discussed at such meeting. No business other than that specified in the agenda contained in the notice for the meeting shall be transacted at any special meeting of the Board of

Directors, without the unanimous written consent of each of the Directors. Notice of any meeting of the Board need not be given to any Director, however, if waived by him or her in writing or by telegraph, cable, facsimile, radio or wireless, whether before or after such meeting be held, or if he or she shall be present at such meeting unless his or her attendance at the meeting is expressly for the purpose of objecting to the transaction of any business because the meeting is not lawfully convened; and any meeting of the Board shall be a legal meeting without any notice thereof having been given, if all of the Directors shall be present thereat.

Section 13. Resignations. Any Director of the Association may resign at any time by giving written notice to the President or to the Secretary of the Association. Such resignation shall take effect at the time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 14. Removal of Directors. Any Director may be removed, either with or without cause, at any time, by a majority vote of the Members at a duly called meeting of the Members of the Association.

Section 15. Vacancies. Any vacancy in the Board of Directors caused by death; resignation or removal may be filled in by a majority vote of the remaining directors. A Director elected to fill a vacancy shall serve for the unexpired term of his or her predecessor in office or until the next meeting of the members, if sooner.

Section 16. Compensation. Directors shall receive no compensation for attendance at regular or special meetings or for services rendered to the Association, but may be reimbursed for actual expenses incurred in attending regular or special meetings or incidental to services performed for the Association.

Section 17. Directors' Participation in Meeting By Telephone. A Director may participate in a meeting of the Board of Directors by means of conference telephone or similar communication equipment enabling all Directors participating in the meeting to hear one another. Participation in a meeting pursuant to this section shall constitute presence in person at such meeting.

Section 18. Directors' Action Without Meeting. If all the Directors entitled to vote and then holding office severally or collectively consent in writing to any action taken or to be taken by the Association, such action shall be valid as though it had been authorized at a meeting of the Board of Directors. ARTICLE XI WAIVER OF NOTICE

Whenever any notice is required to be given to any Member or Director by these By-laws or the Articles of Agreement or the laws of the State of New Hampshire, a waiver of the notice in writing, signed by the person or persons entitled to the notice, whether before or after the time stated therein, shall be deemed equivalent to giving the notice.

ARTICLE XII AMENDMENTS

These By-laws may be altered, amended, repealed or supplemented, subject to appeal or change by the Members, by an affirmative vote of a two-thirds (2/3) majority of the full Board of Directors, at any meeting or special meeting of the Board of Directors called for the purpose, provided that notice of the proposed change is given in the notice of the meeting.

ARTICLE XIII INDEMNIFICATION

Section 1. Personal Liability of Officers and Directors. Each Director and Officer shall be indemnified by the Association against personal liability to the Association or its Members for monetary damages for breach of fiduciary duty as a Director or Officer, or both, except with respect to:

1. Any breach of the Director's and/or Officer's duty of loyalty to the Association or its Members;

2. Acts or omissions which are not in good faith or which involve intentional misconduct or a knowing violation of the law; or

3. Any transaction from which the Director, Officer, or both, derived any improper personal benefit.

Section 2. Indemnification by Association. To the extent permitted by law, the Association shall indemnify any person serving or who has served as a Director, trustee, officer, employee, or agent of any organization in which the Association owns shares of or of which it is a creditor, against all liabilities and expenses, including amounts paid in satisfaction of judgments, in compromise or settlement, as fines or penalties, or as attorney fees reasonably incurred in connection with the defense or disposition of any action, suit, or other proceeding, whether civil, criminal, or administrative, in which he or she may be involved or with which he or she may be threatened by reason of his being or having been an officer, Director, trustee, employee or agent of the Association, except with respect to any matter as to which he or she shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his or her action was in the best interests of the corporation.

As to the matter disposed of by a compromise payment by a Director, officer, trustee, employee or agent, pursuant to a consent decree or otherwise, no indemnification shall be provided unless:

a. such compromise is approved by a disinterested majority of the Directors then in office, as being in the best interests of the Association, after notice that the compromise involves indemnification; or

b. in the absence of action by a disinterested majority of the Directors, at the request of a majority of the Directors then in office, an opinion in writing has been obtained from independent legal counsel to the effect that the Director or Officer sought to be indemnified appears to have acted in the reasonable belief that his or her action was in the best interest of the Association.

From time to time, the Association may pay expenses, including attorney fees, reasonably incurred by the Director, officer, trustee, employee or agent, in connection with the defense or disposition of an action, suit, or other proceeding, in advance of the final disposition thereof, upon receipt of the undertaking by such person to repay the amounts paid by the Association if it is ultimately determined that indemnification is not authorized under this article.

The right of indemnification hereby provided shall not be exclusive or affect any other right to which a Director, officer, trustee, employee or agent may be entitled. Nothing contained herein shall affect any right of indemnification to which personnel may be entitled, by contract or by law.

For purposes of this article only, the terms "Director," "officer," "trustee," "employee," and "agent" shall include the respective heirs, executors, and administrators of any such person. An "interested" Director, officer, trustee, employee, or agent is one against whom, by reason of such capacity, the proceedings in question or other proceeding on the same or similar grounds is then pending.
