EXPLANATION

Approval of the enclosed one-year lease agreement will authorize the Bureau of Court Facilities to continue renting the location which provides courtroom and office space for the 10th Circuit – District Division – Seabrook Court located at 130 Ledge Road, Seabrook NH. The Bureau of Court Facilities offered the Landlord a three year lease renewal with a 0% rate increase in year one, 1% rate increase in year two, and a 1% rate increase in year three. In response, the landlord requested a one year term with a 0% increase which was triggered by

the recent capital appropriations for the design and engineering of a new Hampton Circuit Court facility. Entering into a one year lease agreement provides the landlord with time to access how the recent appropriation may impact a multi-year lease agreement for the current location. The annual rental cost for the facility shall be \$74,748 or approximately \$15.34 per square foot. The rental rate includes the provision of utilities and site maintenance. The provision for janitorial services is not included in the rental rate and is an additional expense of approximately \$7,028 annually.

The office of the Attorney General has reviewed and approved this agreement.

Respectfully Submitted,

"Removing Barriers to Equality"

Margaret Wood Hassan, Governor
Paul Van Blarigan, Chair
Charles J. Saia, Executive Director

To the Honorable Governor Maggie Hassan and Members of the Executive Council

Requested Action

RECOMMENDATION REGARDING LEASE APPROVAL

Lessee: Department of Administrative Services, Bureau of Court Facilities
Location: Renewal Lease for: 10th Circuit – District Division – Seabrook, 130 Ledge Road, 1st Floor, Seabrook, NH 03743
Lessor: DCC Development Corporation, PO Box 430, Hampton, NH 03842
Term: One (1) year commencing on November 1, 2015 and ending on October 31, 2016

In accordance with the administrative rules codified in Adm. 610.16 (e) (3), The Governor's Commission on Disability's (GCD) Committee on Architectural Barrier Free-Design (ABFDC) has preliminarily opined that the location referenced above and referred to herein, meets barrier free requirements, subject to the conditions listed below. The subject lease was reviewed during the ABFDC's August 18, 2015 meeting however; since a membership quorum was not attendant a final vote regarding the matter was not possible. The ABFDC shall however provide a final opinion during the next viable meeting when a quorum is present. Should the ABFDC quorum decide additional conditions for receipt of their approval are required, such conditions shall be conveyed to the Lessee for implementation forthwith. The Committee therefor respectfully recommends that the subject LEASE location of approximately 4,859 square feet of space be **approved, with the following conditions, and subject to the limitations stated herein.**

CONDITIONS:

1. Subject to the continued non-existence of the interior door, previously located on the first floor, in the hallway, separating the public and staff bathrooms.
2. Subject to filing of an updated floor plan, as presented on August 24, 2015, within 30 days.

This recommendation is based upon the site-survey completed by Administrative Services and on the assurances of the Lessee's ADA Coordinator. The ABFDC cannot survey all state leased properties however as a safeguard for the State against potential ADA litigation, and to assure access for persons with disabilities, random surveys shall be performed.

Respectfully submitted and approved by the **Architectural Barrier-Free Design Committee**, on this day of Tuesday, August 18, 2015.
