REQUESTED ACTION

Pursuant to RSA 21-I:56 I, Reclassification of Positions, the Division of Personnel, Department of Administrative Services requests waiver approval of the attached classification decisions effective upon Governor and Executive Council action. Funding associated with each decision is detailed on the reclassification waiver.

EXPLANATION

RSA 21-I:56 I, states that any request for reclassification of a position to a different class series as provided in RSA 21-I:54 shall require the approval of the Governor and Council.

Attached please find the classification decisions reached by the Classification Section of the Division of Personnel. RSA 21-I:42, II provides the responsibility to the Division of Personnel to prepare, maintain and periodically revise a position classification plan for all positions in the classified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for, and the same schedule of pay may equitably be applied to, all positions in the same classification. In addition, RSA 21-I:42, III states that the Division of Personnel shall be responsible for allocating the position of every employee in the classified service to one of the classifications in the classification plan.

A thorough analysis of the proposed change specific to each position, both within their respective agency, as well as within the state classification system, has been completed by the Division of Personnel classification staff. A waiver is respectfully requested to proceed with the classification process.

Respectfully Submitted,

Sara J. Willingham
