Moderator's Worksheet – Part II

PART II. EXAMINATION OF INDIVIDUAL RACES IN THE REPUBLICAN PRESIDENTIAL PRIMARY

Compare the ballots cast (**TOTALS A--REP, B--REP, C--REP, and D--REP**) from PART I of this form) with the total Republican votes cast from the “*Return of Votes Spreadsheet, Examination of Individual Races*”. If there are any significant discrepancies, please ask your election team to carefully review their tallies.

It is important to *resolve discrepancies on election night before announcing results* and avoid errors which, for example, may indicate more votes tallied in a particular contest than total ballots cast.

TALLY CATEGORY	TOTAL Votes, Voters, or Ballots Cast
TOTAL A--REP <u>Ballot</u> Inventory <i>(from reverse side of this form)</i>	9
TOTAL B--REP <u>Voters</u> at Check-in <i>(from reverse side of this form)</i>	9
TOTAL C--REP <u>Voters</u> at Check-out/Ballots Cast Tape <i>(this side of form)</i>	9
TOTAL D – REP Hand Count of <u>Ballots</u> <i>(from this side of this form)</i>	9
TOTAL COUNT OF REP. <u>VOTES</u> FOR INDIVIDUAL CONTESTS <i>(transfer number from “Return of Votes Spreadsheet, Examination of Individual Races” that reflects the consensus “office total” for the <u>individual</u> contests.</i>	9

These **five** numbers above **should all be equivalent**. Significant differences may indicate a tallying error.

Seals on boxes

Photos taken as part of Challenged Voter Affidavit (CVA)

- About one half of 1% of voters in the 2015 fall municipal elections signed challenged voter affidavits (CVAs).
 - > Similar to past CVA volume.
- Only one would-be voter in the whole state apparently turned around and left the polling place instead of voting using a CVA.

Challenged Voter Affidavits (CVAs)

- If the clerk, moderator, or supervisor of the checklist knows a person who is not showing a photo ID to obtain a ballot, do not have the voter sign a CVA and get their photo taken.
- If the voter is doing it to protest the photo ID law, you might already know them.
- It is unnecessary to follow up on people who are already known.

Challenged Voter Affidavit (CVA)

- Plan to take a photo at the same table as voter signs challenged voter affidavit (CVA)
- Use greeters to route voters to CVA table before they stand in line to pick up a ballot
- Religious affidavit

Camera & Photo Instructions

RSA 659-13 I.(c)(2) Camera Instructions

RSA 659-13, I Obtaining a Ballot

(3) If the voter objects to the photograph requirement because of religious beliefs, he or she may execute an affidavit of religious exemption in accordance with RSA 659:13-b, which shall be attested to by an election officer and attached to the challenged voter affidavit.

Ballot Clerk Procedure

BALLOT CLERK PROCEDURE - Primary

Before Voters are allowed in the voter check-in (Ballot Clerk) line, election officials should ask them if they are a registered voter, inform them of the Voter ID law and direct them to the correct line or table: Ballot Clerk line, Supervisors of the Checklist table or Challenged Voter Affidavit table.

Before a Voter is allowed into the area within the guardrail to vote:

1. The Voter shall announce to the Ballot Clerk his or her name AND the name of the party to which he or she belongs.
 - a. Any undeclared Voter desiring to vote in a party primary shall announce the name of the party whose primary they wish to vote at the time of announcing his or her name. (RSA 659:14)
2. Ballot Clerk shall repeat the name given by the Voter
 - a. If the Voter's name is NOT found on the checklist, the Ballot Clerk shall direct the Voter to the Supervisors of the Checklist/Registrars.
 - b. If the Voter's name is found on the checklist, the Ballot Clerk shall, using a ruler, put a check mark ✓ beside the name and repeat the name again.
 - c. The party choice of an undeclared Voter should be marked on the checklist using the first three letters of the name of the party, REP or DEM. (RSA 654:15)
3. The Ballot Clerk shall then state the domicile and mailing address for the Voter that is listed on the checklist and ask the Voter if the domicile and mailing address is correct.
 - a. If the domicile or mailing address is NOT correct, and the Voter's current domicile address is within the same town or ward, the Ballot Clerk shall correct the address(es) in **RED** on the paper checklist to reflect the correction.(RSA 659:13)
 - b. If the domicile address is NOT correct, and the Voter's current address is NOT within the same town or ward, the Ballot Clerk should inform the Voter that he or she is not at the correct polling place and that he or she can only vote where they are domiciled.
4. The Ballot Clerk shall request the Voter present a valid photo ID in the form of:
 - a. A driver's license issued by any state or the federal government;
 - b. A non-driver's license issued by any state;

 5. A college or university operated by the university system of New Hampshire or the community college system of New Hampshire.
 - ii. The card has either an expiration date or an issuance date that has NOT exceeded 5 years;

BALLOT CLERK PROCEDURE - Primary

- iii. EXCEPTION: Student ID cards without a date of expiration or issuance will be accepted until September 1, 2018.

 - h. A photo ID not mentioned above, but determined to be legitimate by the Moderator, Supervisors of the Checklist or Clerk of a town, ward or city.

 - b. The photo identification shall have an expiration date that has not been exceeded beyond 5 years.
 - i. Exception: a voter 65 years or older may use an acceptable ID without regard to the expiration date.
6. If the Voter presents an Out-of-State driver's license or non-driver's license, the Ballot Clerk shall record the two-letter state abbreviation to the right of the "CVA" box on the checklist in **RED INK**.

11. The Ballot Clerk gives the Voter the appropriate ballot(s). (RSA 659:15 & 659:38)
12. The Ballot Clerk uses a ruler or straight edge to mark the checklist to indicate that the Voter has obtained his or her ballot. We recommend marking a thin line through the last name of the voter on the checklist, which requires a second look at the voter's name and the use of the ruler, for example, Jones, John. (This line should not be so thick you cannot read the voter's last name.)
13. Absentee Voters shall be marked in **RED INK** with the letters **A.V.** (RSA 659:52)
