EXPLANATION

This request is for the continuation of Foster Parent Consultant services for the Division for Children, Youth and Families (DCYF). The Division for Children, Youth and Families Foster Parent Consultant is a parent that has had prior experience dealing with the Division for Children, Youth and Families, either as a foster parent or an adoptive parent.

The responsibilities of this Contractor include providing:

- Consultation to DCYF Leadership and field staff on effective strategies to build agency capacity to recruit and retain foster parents who are willing and skilled in working collaboratively with birth parents to support reunification efforts;
- Consultation to the State Wide Parent Partner Program Steering Committee on program design and implementation. This includes advice on how to improve the delivery of the Better Together workshops for foster parents and adoptive parents;
- Recruitment of approximately forty (40) birth parents, adoptive parents and approximately forty (40) foster parents to participate in Better Together Workshops to learn how to collaborate and co-parent children while they are in foster care. This will foster leadership roles in order to champion family connection;
- Support field staff efforts to recruit birth parents, adoptive parents and foster parents by helping organize meetings with staff, birth parents, adoptive parents and foster parents. These meetings allow foster parents and birth parents to form new connections and relationships which is an especially important tool for reluctant parents;
- Support the Division planning to take to scale, state wide best practices being tested in District Offices. A meeting between the foster and birth parent occurs immediately following a child's placement into foster care. This allows the parents to exchange information to ensure the needs of the child are being met. This meeting also is the beginning to a relationship that may lead to healthy co-parenting which is an example of a best practice.

The Division for Children, Youth and Families established the Foster Parent Consultant position in 2009 through a grant funded by Casey Family Programs that supports the Division's work to create the DCYF Practice Model.

The Department is satisfied with the services provided by the Contractor. The Contractor has successfully established herself as a trusted advisor to the Division. We are confident that she will continue to serve as an effective Consultant for the Division playing a key role in helping us grow the Program, improve our capacity to recruit and retain foster parents, and sustain the shift in the fostering culture currently under way, a shift towards partnering and co-parenting. All of these changes are critical for the Division as we continue to implement our Practice Model to improve safety, permanency and well-being for children, youth and families in NH.

This contract was competitively bid.

Should the Governor and Executive Council not approve this request, foster parent involvement in child protection and juvenile justice cases could diminish and the goal of bonding foster parents and birth parents for the child's transition back to their home could be more difficult costing the state more money in keeping children in foster care.

EXPLANATION

This request is to provide Foster Parent Consultant services for the Division for Children, Youth and Families. The Division for Children, Youth and Families Foster Parent Consultant is a parent that has had prior experience dealing with the Division for Children, Youth and Families, who was either a foster parent or an adoptive parent.

The responsibilities of this Contractor include providing:

- Consultation to DCYF Leadership and field staff on effective strategies to build agency capacity to recruit and retain foster parents who are willing and skilled in working collaboratively with birth parents to support reunification efforts;
- Consultation to the State Wide Parent Partner Program Steering Committee on program design and implementation. This includes advice on how to improve the delivery of the Better Together workshops for foster parents and adoptive parents,
- Recruitment of approximately forty (40) birth parents, adoptive parents and approximately forty (40) foster parents to participate in Better Together Workshops to learn how to collaborate and co-parent children while they are in foster care. This will foster leadership roles in order to champion family connection;
- Support field staff efforts to recruit birth parents, adoptive parents and foster parents by helping organize meetings with staff, birth parents, adoptive parents and foster parents. These meetings allow foster parents and birth parents to form new connections and relationships which is an especially important tool for reluctant parents;
- Support the Division planning to take to scale state wide best practices being tested in District Offices. A meeting between the foster and birth parent occurs immediately following a child's placement into foster care. This allows the parents to exchange information to ensure the needs of the child are being met..This meeting also is the beginning to a relationship that may lead to healthy co-parenting which is an example of a best practice..

The Division for Children, Youth and Families established the Foster Parent Consultant position in 2009 through a grant funded by Casey Family Programs that support the Division's work to create the Division for Children, Youth and Families Practice Model. This position joined the Practice Model Design Team and provided information from the foster parent's point of view on ways to create and develop various family engagement strategies and to improve relationships between foster parents and birth parents in NH. . Parent leaders have served as practice advisors, training partners, and peer mentors assisting the Division in improving outcomes for children and families currently involved in child protective or juvenile justice services.

Casey Family Programs has been funding this position as a pilot for the past five (5) years and recently informed the Division for Children, Youth and Families it would no longer fund this position. The Division for Children, Youth and Families recognizes the importance of this position and impact it has had to successfully involve parents and other care giver's in the child's case. Therefore, the Division has identified federal funding to continue to support this position.

The Department of Health and Human Services posted a Request for Applications on the Department's website from December 30, 2015 through February 4, 2016 for the provision of a Division for Children, Youth and Families (DCYF) Foster Parent Consultant. The Department was presented with four (4) applications in response to the request. After careful review of the applications, this applicant was selected. The bid summary is attached.

The Division reserves the right to renew the agreement for up to two additional years, based upon the satisfactory delivery of services, continued availability of supporting funds, and Governor and Executive Council approval. Should the Governor and Executive Council not approve this request, foster parent involvement in child protection and juvenile justice cases could diminish and the goal of bonding foster parents and birth parents for the child's transition back to their home could be more difficult costing the state more money in keeping children in foster care.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. (6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.
