### REQUESTED ACTION

Authorize the New Hampshire Fish and Game Department (NHFG) to enter into a contract with Tanner Hill Milling and Construction of Shelburne, New Hampshire (Vendor Code #119703) in the amount of \$37,920.84 to design and install gas pump dispenser and underground storage tank upgrades and drive matt installation at Berlin State Fish Hatchery from Governor and Council approval through June 30, 2018. Funding is 100% Fish and Game Funds.

Funds are available in the following account:

\$37,920.84

### EXPLANATION

This contract provides for contractor to engineer plans for NHDES approval to perform all necessary upgrades to bring our gas pump dispenser and underground storage tank (DES site No. 199501010, UST Facility ID #0113616) into compliance per New Hampshire Department of Environmental Services regulations. The New Hampshire Fish and Game Department's Berlin State Fish Hatchery has the need for a gasoline dispenser pump due to the remoteness of the facility and the lack of any NHDOT fuel stations within adequate proximity of the facility. The current system has not been upgraded to remain in compliance with current regulations. Failure to perform these upgrades has resulted in this gas dispenser having been taken out of service.

Respectfully submitted,

Glenn Normandeau  
Executive Director

Kathy Ann LaBonte, Chief  
Business Division

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
