Explanation

This grant will help fund the Central New Hampshire Regional Planning Commission's updates of the Local Hazard Mitigation Plans for the following communities: Town of Boscawen, Town of Bow, Town of Bradford, Town of Epsom, and Town of Webster.

The grant listed above is funded from the FFY'16 Pre-Disaster Mitigation Competitive (PDMC) Grant Program, which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The PDMC Grant Program provides funding to subrecipients for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. FEMA provides PDMC funds to states that, in turn, provide subgrants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards. Notification of this program is made to every community by email and by letter sent to the chief elected official of each community.

The PDMC Grant Program is 75% federally funded by the Federal Emergency Management Agency with a 25% match requirement supplied by the Subrecipient. The Subrecipient acknowledges its match obligation as part of Exhibits A and B to the grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes
Commissioner of Safety

- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
