

New Hampshire Voter ID Law

659:13 Obtaining a Ballot. – I. (a) A person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name and address to one of the ballot clerks who shall, if the name is found on the checklist by the ballot clerk, repeat the name and address. If the address announced by voter is different from what appears on the checklist, but is in the same town or ward, the ballot clerk shall record the change of address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the change.

(b) The voter, if the ballot clerk determines that he or she is qualified to vote in the town or ward, and unless challenged as provided for in RSA 659:27 through 659:33, shall then be asked to present proof of his or her identity meeting the requirements of paragraph II. If the voter presents such proof of identity to the ballot clerk, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state. The ballot clerk shall also mark the checklist using a ruler or other straight edge to ensure accuracy of the mark in order to show that the voter obtained his or her ballot. If the photo identification is an out-of state driver's license or nondriver's identification card, the ballot clerk shall record the state of issuance on the checklist in accordance with uniform procedures developed by the secretary of state in a color designated for such entries and the supervisors of the checklist or designee shall submit the information to the secretary of state within 30 days of the election. The voter shall then be allowed to enter the space enclosed by the guardrail to mark and cast his or her ballot.

(c)(1) If the voter does not have a valid photo identification, the ballot clerk shall inform the voter that he or she may execute a challenged voter affidavit. The voter shall receive an explanatory document prepared by the secretary of state explaining the proof of identity requirements. If the voter executes a challenged voter affidavit, the ballot clerk shall mark the checklist in accordance with uniform procedures developed by the secretary of state.

(2) If the voter executes a challenged voter affidavit, the moderator or the moderator's designee shall take a photograph of the voter and immediately print and attach the photograph to, and thus make it a part of, the affidavit form. The photograph shall be 2 inches by 2 inches, or larger, and may be in color or in black and white. The moderator or his or her designee who took the photograph and the voter shall then sign the challenged voter affidavit. The moderator or designee shall delete the photograph from the camera in the presence of the voter. If the moderator or his or her designee is unable to take the voter's photograph due to equipment failure or other cause beyond the moderator's or his or her designee's reasonable control, the voter may execute a challenged voter affidavit without a photograph.

(3) If the voter objects to the photograph requirement because of religious beliefs, he or she may execute an affidavit of religious exemption in accordance with RSA 659:13-b, which shall be attested to by an election officer and attached to the challenged voter affidavit.

(4) The person entering voter information into the centralized voter registration database shall cause the records to indicate when a voter has not presented a valid photo identification and has executed a challenged voter affidavit.

II. (a) A valid photo identification shall show the name of the individual to whom the identification was issued, and the name shall substantially conform to the name in the individual's voter registration record; it also shall show a photograph of the individual to whom the identification was issued. The secretary of state shall mark the envelope with instructions to the United States Post Office not to forward the letter and to provide address correction information. The letter shall notify the person that a person who did not present valid photo identification voted using his or her name and address and instruct the person to return the letter within 30 days with a written confirmation that the person voted or to contact the attorney general immediately if he or she did not vote. The letter shall also inform the person of the procedure for obtaining a free nondriver's picture identification card for voting purposes.

(b) The secretary of state shall conduct an inquiry regarding any letters mailed pursuant to subparagraph (a) that are returned as undeliverable by the United States Post Office and of voters who were mailed letters under subparagraph (a) and have not responded to the secretary of state. The inquiry may include consulting with, and examining public records held by, municipal officials, which contain information relevant to a person's qualifications to vote in New Hampshire, and interviewing persons living at the address listed on the letters. After such inquiry, the secretary of state shall prepare and forward to the attorney general for investigation a list of those people whose identity or eligibility to vote could not be confirmed. The attorney general shall cause an investigation to be made to determine whether fraudulent voting occurred.
