EXPLANATION

College for America at Southern New Hampshire University has partnered with the State of New Hampshire to provide state employees with low-cost, competency-based associate and bachelor degree programs. The employee is required to complete competency based projects each semester that are tied to specific goals in support of her degree.

This employee was hired by the Department as a Legal Research Assistant on December 18, 2015. The employee will be pursuing a Bachelor's of Arts Degree in Management with a concentration in Insurance Services.

Further development of the employee's communication skills and knowledge of management practices will build upon the employee's ability to work with legislators and department employees with respect to the rule making and the legislative processes, as well as providing administrative and organizational support to the department's General Counsel. Successful completion of the program will add to the overall strength of the Department to perform its mission to the residents of New Hampshire.

The employee will be completing projects on her own personal time. A fully executed tuition agreement is attached.

Respectfully submitted,

Roger A. Seyigny
