REQUESTED ACTION

Pursuant to RSA 227-H:9, authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation to accept a **RETROACTIVE** payment from Ragnar RTB, LLC of Woodville, Massachusetts in the amount of \$11,806.50 per Special Use Permit granted for the 2017 Reach the Beach Relay race series during the period of September 13, 2017 through September 17, 2017 effective upon Governor and Executive Council approval. Funds will be deposited in accounting unit #03-35-35-351510-37020000-402197 "State Parks Fund."

EXPLANATION

The Reach the Beach Relay race took place on September 13 through 17, 2017 with approximately 5,527 participants from across the country. The runners traveled along a 208-mile route starting at Bretton Woods traveling through Crawford Notch, White Lake and Bear Brook State Parks, and then ending at Hampton Beach State Park. The route of this race provided immense exposure to our Park System. In accordance with the Special Use Permit (SUP) issued to Ragnar RTB, LLC for this event, a payment of \$25.50 per team (in this case a total of \$11,806.50) was due by December 15, 2017. The Department is now seeking retroactive approval for acceptance of this payment as it was unknown at the time the SUP was signed how many teams would participate and what the total amount would be. Upon G&C approval, this payment will be deposited into the State Parks Fund and used to offset expenses and as revenue to support the operations of each of the Parks.

Respectfully submitted,

Jeffrey J. Rose
Commissioner
