REQUESTED ACTION

Authorize the Department of Transportation to enter into a **Retroactive** arrangement with Material Installations, Inc. (Vendor # 258738) 47 Depot Street, Merrimack, New Hampshire 03054, based on a single bid, for an amount not to exceed \$3,200.00 based upon a proposal for labor costs to disassemble furniture, move the furniture and files out of work areas in Highway Design. This request would be effective upon Governor and Council approval through June 30, 2018. 64% Federal Funds, 13% Other Funds, 23% Highway Funds.

Funds are available as follows:

04-096-096-962015-3025	<u>FY 2018</u>
Highway Design	
024-500227 Contract Repairs – Office Equipment	\$3,200.00

EXPLANATION

Retroactive approval is requested because Highway Design obtained the services of the vendor and did not realize the same vendor was performing other work within the building. This work, combined with other work performed, exceeded the \$10,000 labor maximum for Governor and Executive Council approval for service contracts.

By hiring Material Installations, Inc. the individuals who break down workstations are assured to have proper training and be experienced for efficient flow of work, minimizing disruption to employees.

Your approval of this service invoice is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner
