

CHAPTER 671

School District Elections

General Provisions

671:1 Applicability. The officers of all school districts, including cooperative school districts, shall be elected according to the provisions of this chapter.

671:2 Election Dates. School district officers shall be elected either at the town meeting as provided in RSA 671:22-26 or at an annual meeting of the district held between the dates set forth in RSA 197:1. Notwithstanding any other provision of law, no election for school district officers shall be held in conjunction with the biennial election. The prohibition in this section against holding an election for school district officers in conjunction with the biennial election shall not apply to the election of the board of education members of the Concord union school district as provided in 1961, 355 as amended by 1983, 123, or any successor charter thereto, or to the election of the Laconia board of education members as provided in section 9:01 of the city charter of Laconia as amended by 1975, 357.

671:3 Term of Office. Except as otherwise provided, the term of any officer elected under the provisions of this chapter shall begin upon the officer's election and qualification for office and shall end upon the election and qualification of the officer's successor.

Regular School Districts

671:4 Board. A school district which is not a cooperative school district as defined in RSA 195:1 may have a school board of 3, 5, 7, or 9 members, as it shall determine by vote at any annual meeting. They shall serve for a term of 3 years. In so far as possible, an equal number of the members shall be elected at each school district election. Whenever such a district determines to change the number of board members, it shall also determine the number of members to be elected each year. Such change shall not take effect until the school district election in the year next following the one in which the change is voted. The board will increase or decrease in membership so that there will always be an uneven number of members until the desired number is reached. The school board of a district which does not otherwise vote shall have 3 members.

671:5 Auditors. At each district election, each district which is not a cooperative school district as defined in RSA 195:1 shall elect one or more auditors. In a district voting to elect 2 or more auditors, their terms shall be staggered so that one auditor shall be elected each year for a term of office of the same number of years as there are auditors; provided, however, that, in the first year, the auditors shall be chosen for varying terms so that the term of one auditor shall expire in the next succeeding year, the term of the second auditor, the next year, and so on for the number of years as there are number of auditors. When voters of the district direct the school board to request an audit by independent public accountants from outside the district, they shall not be required to choose auditors for the year covered by said audit.

671:6 Other Officers. Except as provided under RSA 671:6-a, at each school district election, each school district which is not a cooperative school district as defined in RSA 195:1 shall elect a school district clerk, moderator, treasurer, and such optional officers as the voters of the district shall have voted to elect to manage the affairs of the district. The moderator shall take office upon the adjournment of the regular school district meeting held in the year of the moderator's election and upon the moderator's qualification for office, whichever is later. The treasurer shall take office upon the close of the fiscal year for the district and upon the treasurer's qualification for office, whichever is later. An optional officer may not be elected by official ballot until the annual district election first following the establishment of the office. The school district may, by vote, determine to elect a temporary officer or authorize the school board to appoint a temporary officer to serve until the next annual district election.

671:6-a Optional Term. I. At any annual school district meeting under an article in the warrant placed there by petition, the voters may vote to determine if they are in favor of having 2-year or 3-year terms for the school district clerk, moderator and treasurer. to be elected at next year's regular school district meeting?" Said question shall be printed in the form prescribed by RSA 656:13. If the school district has adopted an official ballot, the clerk shall cause the following question to be printed on said ballot: "Are you in favor of changing the terms of the school district clerk, moderator and treasurer from (here insert term option) years to (here insert term option) year(s), beginning with the terms of the school district clerk, moderator and treasurer who shall be elected at next year's regular school district meeting?" The question shall be printed in the form prescribed by RSA 656:13. If the school district has not adopted an official ballot, the clerk shall cause the same question to be printed upon special ballots which shall be used to determine the vote of the school district. If a majority of those voting on the question vote in favor of changing the terms,, at the next annual school district meeting, the voters shall elect the clerk, moderator and treasurer in accordance with the result of such vote.

III. The terms of the school district clerk, moderator and treasurer shall all be for one year, for 2 years, or for 3 years. The terms of only one or 2 of such officers shall not be changed independently of the other one or 2 officers.

The school board of any pre-existing district which does not have a checklist shall make a list of the legal voters in the district for use at such meeting as supervisors are required to do in towns as provided in RSA 654:25-654:31. Thereafter, the cooperative school board shall make, correct and post a list of the legal voters of the cooperative school district acting as supervisors are required to do; except that such list shall indicate with respect to each voter the pre-existing district in which the voter is domiciled. Notwithstanding the foregoing provisions, whenever each of the pre-existing school districts is coextensive with the town in which it is located, the cooperative school district may, at an annual cooperative school district meeting, under an article in the warrant for such meeting, vote that the supervisors of each town, acting as the supervisors of the cooperative school district, shall make, correct and post in each pre-existing district a checklist of the voters in each pre-existing district and shall certify to the same acting as supervisors of the cooperative school district and shall attend the cooperative school district meeting. As used in this section, the words, "any school district" shall mean (a) a school district which is coextensive with the town in which it is located, or (b) a cooperative school district composed of pre-existing districts which were each coextensive with the towns in which they are located, or (c) a cooperative school district which is composed of a pre-existing cooperative district as defined in (b) and other school districts as defined in (a).

II. Any school district as defined in paragraph I may at any annual or special meeting under an article in the warrant for such meeting vote to elect its district officers by separate ballot at the town election in such town, and may

rescind such action in like manner. Such action shall not take effect until the calendar year next following the year in which such vote is taken. The newly elected officers shall take office at the close of the town meeting at which they are elected; provided, however, that if the annual school district meeting is held subsequent to this town meeting, they shall take office at the close of the annual school district meeting and that the treasurer shall take office at the close of the fiscal year of the school district.

III. Nothing herein shall preclude other appropriate coordination of school district and town elections consistent with all the applicable requirements of law where school district and town meetings are simultaneously in session and school districts have duly voted to adopt as official for school district purposes the town checklist, polling place, and election machinery.

IV. Nothing in the provisions for election of school district officers at town meetings shall be construed as affecting any city charter, nor is a city authorized to adopt the provisions hereof.

The ballots shall be of a color different from that of any other ballot being used at the town election.

671:26 Counting Ballots. The town election officials shall act in like capacity for the school district in conducting the school district election. After the close of the polls, the town election officials shall turn all school district ballots over to the moderator of the school district, who shall then proceed to count said ballots publicly with the assistance of such legal voters of the district as he shall appoint. Provided, however, that, in the case of cooperative school districts, the town election officials, immediately after the close of the polls, shall count the ballots for school district officers and, within 24 hours, forward to the school district clerk a list of the number of votes received by each candidate for school district office. The list shall be signed by the town clerk and witnessed by the town moderator. Upon receipt of said list, the cooperative school district clerk shall record the results from each town and shall, when the results from all towns within the district have been recorded, determine and announce the names of the winning candidates.

671:26-a Coordinating Certain Town and School District Elections. To facilitate voting for future annual meetings, to reduce costs, and to best accommodate the voters of the town, the legislative body of a town, which has not adopted the official ballot referendum form of meeting, although the school district has adopted the official ballot referendum form of meeting, may authorize coordination of future town elections with the school district elections. The joint elections shall be held at a time and place determined by, and shall be supervised by, the election officials of the town, as provided in RSA 671:26. The town and the school board shall allocate the costs of the joint elections in the same manner as in previous years, or as mutually agreed upon by the governing body of the town and the school board.

If a school board shall unreasonably neglect or refuse to warn an election, a justice of superior court, upon petition of 10 or more voters, or 1/10 of the voters of the district, whichever is less, may issue such warrant and cause it to be posted.

671:28 Inspectors. The school board of each school district, at some time prior to the school district election each year, may appoint 4 inspectors of election as additional election officers to act with the clerk, moderator and school board. If the number of voters qualified to vote at an election shall exceed 2,000, the school board may appoint for such election 2 additional inspectors for each additional 2,000 qualified voters or fraction thereof. If the number of voters qualified to

vote at any school district election shall exceed 4,000, the school board may appoint such additional inspectors as they may deem necessary for the efficient conduct of the election, so long as the total number of election officials shall not exceed 24. The inspectors shall be qualified voters at said election. They shall assist the school district moderator in counting votes for school district officers and questions.

671:28-a School Board Member Pro Tem. *If a school board member is absent from or unable to perform his or her duties for all or any part of the day at any school district election, the school board member is authorized to appoint a school board member pro tem to perform his or her duties. 671:30 Non-Partisan Ballot System. Every school district in the state, except one having a special statute relative to election of its district officers, shall use the non-partisan ballot system for the election of district officers, in the same manner as in towns as provided in RSA 669:19-669:25, except that all references to towns or town clerks shall be read to refer to school districts or school district clerks.

671:31 Reports by Clerk. The clerk of every school district, after the annual meeting, shall forthwith report the names and post offices addresses of all school district officers to the commissioner of revenue administration and to the commissioner of education. If any school district officer has not been chosen or appointed at that time, the school district clerk shall promptly make like reports when such officer is chosen or appointed so that the commissioner of revenue administration and the commissioner of education shall at all times be informed of the names and mailing addresses of all school district officers.

Appointees of the school board shall serve until the next district election when the voters of the district shall elect a replacement for the unexpired term. In the case of a vacancy of the entire membership of the school board, or if the remaining members are unable, by majority vote, to agree upon an appointment, the selectmen of the town or towns involved shall appoint members by majority vote in convention.

(b) In a cooperative school district, the remaining school board members representing the same town or towns as the departed member shall fill a vacancy on the school board, provided that there are at least 2 such members. If there are less than 2 remaining members on the cooperative school board representing the same town or towns as the departed member, or if the remaining members are unable, by majority vote, to agree upon an appointment, the selectmen of the town or towns involved shall fill the vacancy by majority vote in convention. If the selectmen are unable to fill the vacancy then the cooperative school district moderator shall make the appointment. A member appointed to fill a vacancy

under this subparagraph shall serve until the next district election when the voters of the district shall elect a replacement for the unexpired term.
