REQUESTED ACTION

Pursuant to RSA 4:8, Gifts to the State, the Office of Professional Licensure and Certification (OPLC, requests authorization to accept a gift from the National Conference of State Legislatures (NCLS), 2018 Occupational Licensing Learning Consortium Meeting, in an amount not to exceed \$12,600.00 for convention, travel and overnight accommodations for eight (8) employees to attend the Learning Consortium from November 28 to November 30, 2018 in Clearwater, Florida.

EXPLANATION

In November 2018, the 11 Consortium States will convene for the second annual Occupational Licensing Learning Consortium Meeting. The Consortium will also be joined by a handful of states that recently came aboard the project and will be part of the consortium going forward. This year, state teams will have the opportunity to focus on the four population groups (Individuals with Criminal Records, Veterans and Military Spouses, Dislocated Workers and Immigrants with Work Authorization), license portability and reciprocity and other important topics. States will have ample opportunity to connect with and learn from fellow consortium states, as well as hear from other states that have taken action on occupational licensure.

Topics discussed include identifying successes, challenges and ongoing obstacles that states have done in their state as part of the consortium; speakers and officials from other states briefly talk about their work on Occupational Licensing. Further, discussions making a license portable, compact resources, and diverse populations.

The Office of Professional Licensure and Certification wishes to accept this gift with sincere appreciation.

Respectfully submitted,

Peter D. Danles
Executive Director, OPLC
