EXPLANATION

Public Value Partnerships are awarded to nonprofit arts organizations, with a minimum of 5 years of continuous arts programming and professional staffing, to strengthen their capacity for offering affordable, diverse arts program to New Hampshire's residents and visitors. Grant categories and deadlines are advertised through the divisions' website, social media and electronic newsletters.

At a recent meeting, the NH State Art Councilors unanimously voted to accept the Arts Division's Public Value Partnership Review Panel's recommendations for the partnerships based on its funding priority ranking within a competitive review. The six-member peer panel, facilitated by an Arts Councilor, considered 17 criteria to arrive at a consensus ranking for each application. Each panelist is advised, both individually and collectively, of their obligation to disclose any conflict of interest and themselves from assessment if a conflict is present. The evaluative criteria range from the administrative capacity of the organization, to artistic quality, strategic planning, community impact and accessibility.

The Attorney General's office has approved the agreement as to form, substance and execution.

Respectfully submitted,
